Get Connected with Indian Hills!

Sponsored by IHCC's Student Support Services Program

July 15-18, 2013

Every summer, Indian Hills Community College offers a **College Connection Workshop,** free to eligible students. The week-long (Monday –Thursday) workshop is for first-year students who are planning to attend IHCC in the fall.

Students will learn essential skills to make connections needed for a smooth transition to college. This workshop gives participants an advantage over other first-year students who are coming in the fall.

Participants will:

- Experience a college classroom environment—take notes, listen to lectures, and participate in group discussions.
- Register for classes—meet with an academic advisor, who will assist students with their academic schedules.
- Connect with IHCC Instructors—meet instructors from various programs.
- Learn the ropes for college success—learn new and creative study skill techniques to achieve excellence.
- Experience dormitory living—stay in a dorm room with meals provided (cable, phone, and wireless Internet).
- Complete IHCC's entrance test (COMPASS) and form a college achievement plan.
- Participate in fun-filled evening activities.

Students are eligible if they have submitted an application to IHCC and meet Student Support Services guidelines: First-generation (neither parent has a four-year degree), low income, or a documented disability. Students only need to meet one guideline for eligibility.
