13 Penetration rate*

*Calculated as credit, non-credit or combined enrollment divided by college area population of =>15 years olds. Latest available census data is one year behind reported fiscal year.

14 Graduation, Transfer, and Success Rates**

**Graduation Rate: number of students who graduated from this college with a ny type of award within 150% of the time allocated for completion of that type of award divided by number of first time/full time

Transfer Rate: number of students who transferred to four year institutions from this college within three years divided by number of first time/full time students in this college at starting year. Some students could both transfer and graduate.

Success Rate: number of students who either graduated from this college within 150% of time for completion, or transferred without graduation divided by number of first time/full time students in this college at starting year. No student is counted more than once.

15 Remedial Education

245 Students* **Since last year**
