- Construction Technology
- Electrical & Renewable Energy Technology
- Electronic Engineering Technology
- HVAC & Refrigeration
- Industrial Maintenance Technology
- Laser & Optics Technology
- Machine Technology
- Robotics/Automation Technology
- Welding Technology
In 2011, I graduated from the Indian Hills Laser & Optics Technology program. Receiving this degree has given me the opportunity to hold many qualified positions since graduation. I have worked as a field service engineer and laser technician, and am currently employed at John Deere as a manufacturing engineer. The experienced instructors at Indian Hills prepared me with hands-on experiences inside and outside of the classroom.

Jeremy Lipp (Ottumwa, Iowa)
Laser & Optics Technology, ’11

I am completing my Associate of Arts degree while playing basketball for Indian Hills. I enjoy living on campus, hanging out in Warrior Junction, going out to eat and going to the movies. I plan on transferring to a four year institution once I graduate from Indian Hills to pursue a degree in psychology.

Richardson Maitre (Montreal, Canada)
Arts and Sciences Program

I am currently in the second year of the PTA program at Indian Hills Community College. It has been a wonderful experience with quality instructors who care about my education. They always go above and beyond to ensure I understand the material needed to succeed.

George Winland (Fairfield, Iowa)
Physical Therapist Assistant
Do you plan on making a *Life. Changing.* choice by beginning your education at Indian Hills and then transferring to a 4-year college or university? Are you unsure what program or degree best suits you? The Arts & Sciences program offers the courses, focus areas, transfer agreements and degrees to help you reach your goals.

- Theatre

**TRANSFER AGREEMENTS**
Transfer agreements allow for the seamless transfer of credits between Indian Hills and partner colleges. Indian Hills has transfer agreements with more than 20 colleges and universities across the state of Iowa, throughout the Midwest and online.
The Criminal Justice program has been an exciting experience. I am thankful for my instructors who make learning in the classroom engaging and exciting. After graduating from the program I would like to transfer to a four-year institution. I would like to use my degree to work for the FBI or DEA.”

Giovanni Nuno (Ottumwa, Iowa)
Criminal Justice

After graduating from the University of Iowa with a degree in Exercise Science, I enrolled in Indian Hills’ Associate Degree Nursing program. Throughout the program, I was able to network while gaining real-world experiences during my clinical hours. I was hired immediately after graduation by Ottumwa Regional Health Center in the Women and Family Center, which is where I completed my preceptorship. The Indian Hills Nursing program changed my life.”

Kristina Vongkaysone (Ottumwa, Iowa)
Nursing, ‘17

The Diesel Technology program has provided me with real world experiences. Within the diesel lab, I get to work on actual locomotive and diesel engines. My instructors provide me with challenging learning experiences that will help build the skills needed for a job after graduation. I hope to work in the locomotive industry once I complete the program.”

Robert Van Amerongen (Winfield, Iowa)
Diesel Power Technology
Are you looking for a high-demand job in a healthcare field? Are you interested in helping people and saving lives? Is hands-on learning exactly what you’re looking for in an academic program? Enrolling in an Indian Hills Health Sciences program can help you change people’s lives, including yours!

- Therapeutic Massage

Help change people’s lives, starting with your own.

YOU’LL FIND IT ALL AT INDIAN HILLS.
Throughout my education at Indian Hills I have been able to gain tremendous experience by completing over 600 clinical hours in eight different hospitals through the Paramedic program. This program has allowed me to gain insight into the type of emergency care provider I want to become. The skills the instructors have taught me have made me realize that this is a calling, not a job.”

Dillon McPherson (Burlington, Iowa)
Paramedic

I am currently majoring in both the Interactive Media Technology program and completing an Associate of Arts degree. I stay busy outside of the classroom by participating in the jazz band and the federal work study program. My favorite thing about Indian Hills is the beautiful campus and the instructors who are willing to work with me one-on-one to ensure my academic success.”

Ashley Kruse (Winfield, Iowa)
Interactive Media Technology and Arts & Sciences

I had the opportunity to take classes for credit while in high school; therefore, I was able to graduate with my Associate of Arts degree in one year. After graduating from Indian Hills I was able to transfer to the University of Iowa as a junior. The money I saved by taking classes in high school and at Indian Hills for one year has reduced my college debt tremendously.”

Hanna Tyrrel (Albia, Iowa)
Arts and Sciences Program, ‘17
Life. Changing.

How do I apply for admission to Indian Hills? 
Complete our free online application. Many programs have additional admissions requirements. You will receive more information regarding what is required.

How do I apply for financial aid? 
The first step in order to receive financial aid is to complete the Free Application for Federal Student Aid (FAFSA.) You can complete and submit the FAFSA online. It is important to file the FAFSA as soon after October 1st as possible to ensure you receive priority processing. Our school code is 008298.

How much does it cost to attend Indian Hills? 
In-state tuition is approximately $1,700 per term or roughly $5,100 per year. Out-of-state tuition is approximately $2,400 per term or roughly $7,200 per year.

This is based off our per-credit hour tuition rate, $170 per credit hour for in-state students, $240 per credit hour for out-of-state students. This does not include the purchase of uniforms, books, tools or other items that may be required for some programs.

Do you have student-housing options at Indian Hills? 
Yes, we have a total of six residence halls including apartment-style and traditional-style options.

Do your credits transfer?
Indian Hills has transfer agreements and transfer plans with many four-year colleges and universities. However, not all credits are guaranteed to transfer due to differences in programs and requirements among various institutions. An Academic Advisor will assist you in your future academic plans.

How large are the classes? 
Average class size at Indian Hills is 14 students.

What is the length of a term at Indian Hills? 
Classes are scheduled during a 4-day academic week, within a 12-week term.

Does Indian Hills accept transfer credit? 
Indian Hills accepts credits from other regionally-accredited, post-secondary institutions and will apply these credits, when applicable, toward requirements of the program in which the student is enrolled.

How quickly can I earn my degree from Indian Hills? 
Most degrees at Indian Hills can be completed in 2 years or less depending on the program and individual circumstances such as transfer credits.

What steps do I need to take for the Health Sciences admissions process? 
All Health Sciences programs are screened so we require the following:

- High school transcripts
- ACT/SAT (completed within the past 5 years) or COMPASS/ACCUPLACER exam (completed within the past 2 years)
- Official College Transcripts (if applicable)

Additional documents are required for Nursing, Dental Assisting and Dental Hygiene programs.
You’re making a smart choice to begin your education at Indian Hills. You will save thousands of dollars while receiving a tremendous education that will prepare you for the workforce or to transfer to a four-year college. Indian Hills offers one of the lowest tuition rates in the state, plus the opportunity to qualify for grants, scholarships or loans.

**COMPLETE THE FAFSA (SCHOOL CODE 008298)**
The Free Application for Federal Student Aid (FAFSA) will help you find the assistance you need to further your education and change your life. Completing the FAFSA may qualify you for grants, work study or student loans. Complete the FAFSA beginning October 1st for the upcoming academic year and make sure to enter the Indian Hills school code – 008298.

**APPLY FOR INDIAN HILLS FOUNDATION SCHOLARSHIPS**
The Indian Hills Foundation awards more than $1.1 million in scholarships to over 500 students each year – you could be one of those students next year! The minimum award is $600 and the maximum award is full tuition. Scholarships are available based on need, academic interest, geographic location and academic merit.

**OTHER FORMS OF ASSISTANCE**
Not sure if you qualify for the FAFSA or Foundation Scholarships? No worries, we have more options! Additional funding exists including:

- Veterans, active-duty military, National Guard or reservists eligible for Veterans Administration Education benefits.
- Need-based aid:
  - GAP/PACE: Iowa residents enrolling in an Advanced Technology or Health Sciences program.
  - Job Corps: Students age 16-24 enrolling in an Advanced Technology, Health Sciences or Culinary Arts program.
You can start changing your life today with one simple step – completing the Indian Hills Application for Admission! While completing the application, applying for Financial Aid and registering for New Student Orientation may seem like daunting tasks, the staff at Indian Hills is here to help you along the path toward accomplishing your educational and career goals.

Don’t worry, you’ve got this – but should you have questions we have people to help! Our OneStop representatives are available to get you headed in the right direction and make sure you stay on the path to success. We’re ready to watch you walk across the stage at graduation – it’s time for you to take the first step!
