**FOUNDATION**  
INDIAN HILLS COMMUNITY COLLEGE

*Life. Changing.*

**Dr. Marlene Sprouse**  
President  
Indian Hills Community College

The Indian Hills Foundation is one of the greatest assets to the students of Indian Hills Community College. That means YOU, as a donor, are also one of the greatest assets to the students of Indian Hills Community College.

Your contributions support students who are the first in their families to attend college, people wanting to change careers by acquiring a skill, honor students saving money during the first two years of their bachelor's degree, parents going back to college to improve their ability to support their families, and endless more examples.

The Foundation has recently broadened its mission to accept gifts that support specific programs, specific spaces, and specific equipment. Anything that a donor would wish to do in order to support student learning and student success, is a possibility.

If you have a dream for students, you can make it happen. Anything that you would envision to be life-changing, we can help create.

We cannot thank you enough for your support. Your *Life.Changing.Giving.* is the catalyst for the students of Indian Hills Community College to have a *Life. Changing .Experience.* Please accept our *Life. Changing. Appreciation.*

Marlene Sprouse, Ed.D.  
President, Indian Hills Community College

As always, it was another *Life. Changing.* year for the Indian Hills Community College Foundation. With your continued support, we were able to help 572 students by awarding over \$1.2 million in scholarship support.

Since joining the Foundation earlier this year, I have learned how incredible our donors truly are. The *Life. Changing. Giving.* of our donors has strongly impacted the lives of our students. We frequently hear from alumni about their *Life. Changing.* experiences at Indian Hills. The Foundation has been fortunate to play a formative role in the lives of so many students.

What you will see in this annual report is that the Foundation is looking forward. Last year, the Foundation changed our mission statement to provide additional resources that will ensure student and community success. The Foundation staff, as well as the staff and faculty of Indian Hills, are pushing ahead, searching for more opportunities to increase students' potential.

Several changes are occurring in the Foundation. We will be hosting more alumni engagement events, creating gift options tailored to donor requests, and more. Our mission is to create an exceptional donor experience in an effort to grow and maintain long-term, sustainable donor relationships.

Over the last 42 years, the Indian Hills Community College Foundation has impacted the lives of over 18,000 individual students. The Foundation is looking forward to assisting the College in new ways while maintaining the ultimate goal of ensuring our students possess all the tools necessary to succeed. We will continue to put the needs of our students first while looking forward to creating innovative solutions for the College.

Thank you for your continued support.
