FEDERAL PELL GRANT INFORMATION

Year-Round Pell Grants - Announcement - May 2, 2019

Eligible students can receive additional Pell Grant funds for the summer term. This is referred to as “Year-Round Pell.” This means that even if a student has received their full Pell Grant during the Fall, Winter, and Spring terms, he/she may qualify for an additional Pell Grant during the Summer term as well.

To be eligible for the additional Pell Grant funds, a student must be registered at least halftime for the Summer term (4 or more credit hours). To receive your full Pell eligibility for the 19/Su term, you must register for all summer classes by June 10th (term census date). Summer classes added after June 10th are not eligible for the Pell Grant. All Pell Grant funds received will count towards the student’s Pell Grant duration of eligibility and Lifetime Eligibility Used (LEU).

Qualifying students will automatically have the additional Pell Grant added to their financial aid award offer. We will also send an e-mail concerning Year-Round Pell from the Financial Aid Office to your IHCC student e-mail address. If you have any questions, please contact the Financial Aid Office/OneStop at 641-683-5262.

**TIME LIMITATION ON DIRECT SUBSIDIZED LOAN ELIGIBILITY FOR FIRST-TIME BORROWERS ON OR AFTER JULY 1, 2013**
If you are a first-time borrower on or after July 1, 2013, there is a limit on the maximum period of time (measured in academic years) for which you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program of study. This is called your “maximum eligibility period.”

After you have received Direct Subsidized Loans for your maximum eligibility period, you are no longer eligible to receive additional Direct Subsidized Loans. You may continue to receive Direct Unsubsidized Loans. In addition, you will become responsible for paying the interest that accrues on your Direct Subsidized Loans during all periods if you: continue to be enrolled in any undergraduate program after you have received Direct Subsidized Loans for your maximum eligibility period, or enroll in another undergraduate program that is the same length as or shorter than your previous program. Your federal Loan Servicer will notify you if you become responsible for paying all of the interest that accrues on your Direct Subsidized Loans.
