SCHOLARSHIP OPPORTUNITIES AT INDIAN HILLS COMMUNITY COLLEGE

INTRODUCTION

The mission of the Indian Hills Community College Foundation is to build a thriving culture of philanthropy that supports student learning and sustains the position of the College as a leader and innovator. In each academic school year, hundreds of scholarships are awarded, either through a general fund or a named scholarship. The Indian Hills Foundation General Fund Scholarship provides an annual \$600 award, while individual named scholarships can provide an annual award of \$600 up to payment for tuition, fees, books, room & board.

At Indian Hills, we believe in helping students. The administration, faculty and staff take pride in our high graduation rates and the successes of our graduates. In 2016-17, ninety-three percent of Indian Hills' full-time employees gave to the scholarship fund. Annually, more than half volunteer their time in helping to raise funds to support scholarships.

ESTABLISHING A SCHOLARSHIP

Individuals and businesses can easily establish a named scholarship. The Indian Hills Community College Foundation offers a variety of options:

- A minimum initial gift of \$12,000 is needed to establish a perpetual (endowed) scholarship.
- A minimum gift of \$600 can be donated to fund an annual scholarship.
- Potential donors might choose to include the Indian Hills Foundation in their Wills or list the Foundation as a full or partial beneficiary on a life insurance policy or a retirement account.
- The value of your gift can be increased if your employer has a matching gift program—check with your employer's personnel office.

To initiate a scholarship, please contact the Indian Hills Foundation office by calling Becky Henderson, Scholarship Coordinator, at (641) 683-5156, or by emailing becky.henderson@indianhills.edu.

The Indian Hills Community College Foundation, an IRS 501 (c) (3) non-profit corporation, was established as the vehicle to accept and manage gifts and donations for the betterment of Indian Hills Community College and its students and to provide the appropriate tax advantages for the donors. Contributions may be deductible, to the extent allowable by law.

HOW TO APPLY FOR A SCHOLARSHIP

All students who have applied to or enrolled at Indian Hills Community College in a credit program, either full-time or part-time, and have graduated from an accredited high school or have earned a GED, are eligible to apply for Indian Hills Foundation Scholarships. All Indian Hills Foundation Scholarships, both general fund and named scholarships, are awarded based upon academic achievement, citizenship, character and the ability to benefit from financial assistance. Scholarship renewals are based upon satisfactory academic achievement and the recommendation of the donor.

To apply for scholarships listed in this book, an applicant must complete an Indian Hills Foundation scholarship application located on the Indian Hills' website at www.indianhills.edu/scholarshipapp.

Some Indian Hills Foundation scholarships have preferences for people who meet specific criteria. Please be sure to review each item on the online application and check all that apply.

The Foundation Scholarship Committee can consider an application only when it is completed in its entirety which includes the submission of appropriate transcripts and recommendations.

Upon approval by the Indian Hills Foundation Scholarship Committee, all applicants will be considered for all Indian Hills Foundation Scholarships for which they may be eligible. However, a student can only receive one Foundation scholarship. If a student is offered a Foundation scholarship and an IHCC Institutional Club Scholarship in the same academic school year, the larger of the two scholarships will be awarded.

Applicants are urged to apply for other financial aid offered through the completion of the Free Application for Federal Student Aid (FAFSA). The Indian Hills Financial Aid Office may be contacted by calling (641) 683-5262 or 1-800-726-2585, ext 5262, for more information.
