**Subject:** Campus Parking

Due to the large increase of students driving to school we are experiencing parking problems in the 3 Arts and Science Building lots, Carter Street entrance and the upper lot at Rosenman/Rural Health.

Hopefully, the following ideas will help solve the problems:

Arts and Sciences area students will be able to use the Wapello Reserved Dormitory designated parking lot. This is the front parking lot that you access by entering from the Grandview entrance and continue around and thru the Staff parking area into the Wapello Dorm Lot marked by the Orange sign reading "RESERVED DORM PARKING". This lot should be used only after the other lots are full and there is nowhere else to park. The downside is that you may have to walk further to your class so allow several more minutes.

After the lot is full at Rosenman/Rural Health, students need to park in the large lot behind the Advanced Technology Center to the West and across Indian Hills Drive. This lot will hold the overflow from Rosenman and Rural Health along with any A.T.C. needs.

If you have further questions, comments or concerns feel free to contact me at the Indian Hills Security: Telephone # 641-683-5300 or 5300 from any I.H.C.C. telephone. Assisting you 24/7/365.
