

CLEP Examination

Indian Hills Community College complies with Iowa College's agreement that only CLEP scores meeting ACE recommended scores receive credit (see chart below). Students may use a maximum of 16 credits towards a degree at Indian Hills, although CLEP Exams will not influence your GPA (grade point average). IHCC will award NO credit for transferred CLEP Exams. If you plan to transfer, check the institution policies on transferability of CLEP Exams.

Exams are administered on a computer and are approximately 90 minutes long with the exception of College Composition which is approximately 120 minutes long. Currently the fee for CLEP testing is \$87 per exam to CLEP, and an additional \$35 fee to Indian Hills. **These payments must be separate payments. The IHCC fee can be in the form of check, debit, credit, cash or money order.**

If you do not meet the minimum required score to receive credit, you must wait **three months** before you can retake the same exam. Retake fees are the same as original fees. Credit will not be granted if the examination duplicates a course previously passed or failed at IHCC. Scores will be received immediately upon completion with the exception of the College Composition with essay. For that particular test, allow 4-5 weeks for your score.
