

Housing: Meet the Staff

Indian Hills Community College

The five Dormitory Supervisors and the 23 student Resident Assistants (RAs) comprise the dormitory staff. The Dormitory Supervisor is responsible for the overall operation of the dorm and is assisted by the RAs. Their roles include advising students, answering questions about college and dormitory policies, and helping students who may have academic difficulties or may be experiencing personal problems. The RA duty schedule is posted near the RA office located in each dormitory.
