The Arts and Sciences/Criminal Justice/Culinary Arts Student Manual is designed to supplement the Indian Hills Student Handbook. In no fashion is the Arts and Sciences/Criminal Justice/Culinary Arts Student Manual intended to substitute for or supersede procedures and policies stated in the Indian Hills Student Handbook. It is the responsibility of students to read and familiarize themselves with the contents of both publications. Failure to do so will not relinquish them of obligations and expectations outlined within each document.

The policies and procedures addressed in this booklet apply to students from all programs enrolled in any Arts & Sciences, Criminal Justice, or Culinary Art course.

**Policies and Procedures**

**Equal Opportunity Policy**

It is the policy of Indian Hills Community College not to discriminate on the basis of race, color, national origin, sex, disability, age (employment), sexual orientation, gender identity, creed, religion, and actual or potential parental, family, or marital status in its programs, activities, or employment practices as required by the Iowa Code §§216.6 and 216.9, Titles VI and VII of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d and 2000e), the Equal Pay Act of 1973 (29 U.S.C. § 206, et seq.), Title IX (Educational Amendments, 20 U.S.C §§ 1681 – 1688), Section 504 (Rehabilitation Act of 1973, 29 U.S.C. § 794), and Title II of the Americans with Disabilities Act (42 U.S.C. § 12101, et seq.).

**Services for Students with Disabilities** 1-800-726-2585, ext. 5749

Individuals with disabilities who require accommodations or special services should contact IHCC Disability Services for assistance. Services are available to students who need classroom accommodations, interpreters, and/or specialized equipment. Students enrolling in credit programs should make their requests for accommodations at the time they are applying for admission and preferably, no later than six weeks prior to the beginning of each academic term. All student requests are dealt with in a confidential manner. Students should contact the Ottumwa Disabilities Center by calling (641) 683-5749. Centerville students should contact the Academic SUCCESS Center at (641) 856-2143, ext. 2214 or email disabilityservices@indianhills.edu.

**Accreditation**

Indian Hills Community College is a public post-secondary institution accredited by the Higher Learning Commission and is a member of the Higher Learning Commission, 30 North LaSalle Street, Suite 2400, Chicago, IL 60602-2504, (800) 621-7440. Indian Hills Community College is also accredited by the State of Iowa, Iowa Department of Education, Grimes State Office Building, Des Moines, IA 50319-0146, (515) 281-8260.

Introduction

The Arts and Sciences Division of Indian Hills Community College is dedicated to serving the wide range of students who take classes in the division. We recognize that some come for an associate degree, or course work in general, transferable to a four-year institution for a baccalaureate degree; for a terminal degree in Criminal Justice or Culinary Arts leading to the workforce; or for increased knowledge in their areas of interest. This is fulfilled through a curriculum combining traditional (classroom) and nontraditional delivery (i.e. distance-learning, online-learning, service-learning) forms that enable students:

1. To think critically and creatively;
2. To communicate effectively, both orally and in writing;
3. To use mathematics, science and technologies appropriate to the student’s field or interest;
4. To recognize and appreciate historical, cultural, artistic, and/or personal concepts of society, native as well as global.

Procedures

Enrollment

Students wishing to enroll in Indian Hills Arts and Sciences classes must first fill out an application form, available on the IHCC Web page (www.indianhills.edu). Students need to indicate specifically if they are applying for entry into the Arts and Sciences, Criminal Justice, or Culinary Arts programs.

Registration

The registration period begins four weeks before the Winter, Spring, and Summer term start. Fall term registration begins in April. It is very important that students review the scheduling dates. Students should consult with an academic advisor prior to registration. Students may register online through IHCC Web Advisor at www.indianhills.edu.

It is imperative that all students understand that the registration process legally commits them to paying the amount indicated during registration. If students have any questions about payments of bills with Indian Hills, they should speak with a business office representative.

Orientation

First-term students at Indian Hills must go through a new student orientation before they can register for classes. There are two components of the orientation process: college-wide information and program specific information. Orientation is designed to provide students with information vital to their success at Indian Hills.

Drop/Add Period

During the first five instructional days of a 12 week term, students may add classes; classes may be dropped the first eight days of the term with full refunds for dropped classes. This may be done online. Students are strongly encouraged to speak with the course instructor prior to adding a class that has already begun. No course additions are permitted after the 5th day of a 12 week term. Specific dates for each term are listed in the calendar section (Page 52). Drop dates for classes scheduled for less than 12 weeks will vary. Contact your department for information.
Withdrawal

After the eighth day of the term until two weeks before the term ends, students may withdraw from classes without refund. During this period, students wishing to withdraw from class should speak with their instructor first. Afterwards, they need to visit the Academic Advising office and complete an Intent to Withdraw slip. This cannot be done online. Failure to complete any part of this process by each term’s deadline will result in the student not being officially withdrawn from class and therefore subject to receive the grade earned.

Grades

Instructors issue midterm grades at the beginning of the sixth week of a term. Instructors may give traditional letter grades or pass/fail grades for their students. Instructors are not encouraged to post final grades for students, and they are prohibited from conveying grades over the telephone or via email. You can check your grades online at IHCC Web Advisor at www.indianhills.edu.

Directions for viewing grades online:
1. Go to the IHCC web site: www.indianhills.edu
2. Click on Web Advisor
3. Click on Students
4. Click on Log-in and enter User ID and Password

Transfer

Students wishing to transfer credits earned at Indian Hills to other colleges will need to speak with an Academic Advisor as soon as they decide where they want to transfer. The Academic Advisor can give those students beneficial, general advice about transferring credits; however, it is the responsibility of the students to contact the college to which they transfer and find out how their IHCC credit will be accepted by that institution. Students may have copies of their transcripts sent to other colleges by contacting the Registrar located in the Bennett Student Service Center. Many colleges and universities have course equivalency guides on their website indicating how individual IHCC courses transfer to their college. If the student plans to attend one of the Regent institutions, they can visit www.transferiniowa.org as a comprehensive resource for transfer information.

University of Iowa 2 Plus 2 Guaranteed Graduation Plan - Planning ahead can save transfer students valuable time and money. Iowa's 2 Plus 2 Guaranteed Graduation Plan is designed to help. Iowa community college students in select majors can use the 2 Plus 2 plan to supplement their AA degree with a bachelor’s degree from The University of Iowa after just two additional years of study. http://2plus2.admissions.uiowa.edu/

The Admissions Partnership Program is a partnership between participating community colleges and Iowa State University designed to provide an advantage to current and future students from those colleges who are planning to earn a bachelor’s degree at Iowa State. Program participants plan for a successful transfer to Iowa State University through advising activities, social and cultural opportunities, and satisfying academic requirements. www.admissions.iastate.edu/partnership

Graduation

Students intending to graduate with their Associate of Arts, Associate in Science Degree, or Associate of Applied Science Degree will need to fill out an Intent to Graduate form at the beginning of their final term. Failure to submit this form in a timely manner may result in the student not graduating. This form can be found online at www.indianhills.edu or in the Academic Advising office. Associate in Science and Associate in Arts students must complete all degree requirements, a minimum of 61 semester credit hours and attain a minimum 2.0 GPA in order to graduate. Associate in Applied Science - Criminal Justice must complete all degree requirements, 80 semester credit hours and a minimum 2.0 GPA.
Testing

New full time students are advised to take the Accuplacer test or submit ACT scores to the Testing Center prior to admission. The Accuplacer is available at the Testing Centers located on the Ottumwa and Centerville campuses and at every IHCC County Service Center. Students living outside the area may also register for an exam at an institution near them. To schedule an appointment, contact the Testing Center at testing@indianhills.edu or at (800) 726-2585, ext. 5142. ACT or SAT scores may be mailed to IHCC Testing Center. The Testing Center offers a full menu of testing services including make-up tests for current students and professional licensure and certification tests. To view the complete menu of available tests visit http://www.indianhills.edu/students/testingcenter.php.

College Level Examination Program

Students may elect to take one or more College Level Examination Program (CLEP) tests. Each CLEP Subject Examination covers material taught in an undergraduate course with a similar title at most colleges and universities. Successful completion of a CLEP Subject Examination will substitute for credit earned in a similar, traditionally taught class. Indian Hills complies with Iowa colleges’ agreement that only CLEP scores at the 50th percentile or higher (the most recent national norms of people who have taken the course) will receive any credit. If you do not meet the minimum requirements to receive credit for the examination, you must wait six months before you can take the same exam. Credit by examination will not be granted:

1. If it duplicates courses previously passed or failed.
2. For a course for which the student does not meet the stated prerequisite(s) listed in the granting community college’s catalog.
3. For a course which is a prerequisite to one for which credit has previously been earned.

Students may use a maximum of 16 credits toward the Associate of Arts and Associate of Science degree. CLEP Exams do not remove grades of “F” on courses taken, nor will credit be awarded for any course previously passed or failed. CLEP credit will not affect your grade point average. To sign up for CLEP Exams in Ottumwa, contact the Testing Center at (641) 683-5142 or (800) 726-2585, ext. 5142. For CLEP testing in Centerville, contact the SUCCESS Center at (641) 856-2143 or (800) 670-3641, ext. 2214.

Computer Literacy

In order to graduate students are required to demonstrate proficiency in computer applications either by completing a designated course. The designated courses are: CSC105 Computer Essentials or CSC110 Introduction to Computers.

How To Be Successful in College

All new Arts & Sciences students are required to take How To Be Successful in College course (SDV*101). This course is designed to familiarize new students with college services and policies and to provide helpful strategies for succeeding in college.

Calculating Grade Point Average

To calculate your grade point average, you will convert your letter grades into points as follows: A=4 points; B=3 points; C=2 points; D=1 point; F=0 points. You then multiply your grade points by the number of credits in the course. For example, Introduction to Psychology is a three credit course. If you received a “B” in that class, you would take 3 credits times 3 grade points for a total of 9 grade points.
Your overall grade point average is determined by dividing the total number of grade points earned by the total number of credits taken. (Do not include courses with a “W” grade). Here is an example: You took the following courses and received the following grades: Composition I (3 credits): B; Painting (2 credits): B; Introduction to Literature (3 credits): B; Math for Liberal Arts (3 credits): B. To determine the GPA for these grades, you will first figure out the grade points for each class and then add up the total number of credits you took and the total number of grade points you received. You will then divide the total number of grade points by the total number of credits taken. You would do the following calculations for the example given above: 3X3 =9; 2X3=6; 3X2=6; 3X4=12. This gives you a total of 11 credits with 33 grade points. Divide 33 by 11, giving you a 3.0 grade point average.

**Note:** It is important to know that if a class is taken on a pass/fail basis (such as developmental courses), a “P” does not impact your GPA, but an “F” does.

### Graduation Requirements and Curriculum

Graduation will be certified by the issuance of a degree or diploma. Satisfactory completion includes complying with all program requirements, as well as the following:

1. The student must achieve at least a 2.00 cumulative grade point average
2. A minimum of 16 semester hours in an associate degree program must be earned at Indian Hills (a minimum of 12 semester hours, or one term, in a diploma program must be taken at Indian Hills)
3. The student must have made arrangements for meeting all financial obligations to the college

Ceremonies are held in the Winter and Spring terms at Ottumwa, with Spring term graduation ceremonies conducted at Centerville

**Check with an Academic Advisor when you near graduation**

### Associate of Arts Degree Requirements

It is the goal of a liberal arts education to produce broadly educated persons who are able to think clearly and critically and who express themselves well. The Associate Degree is designed to be a cross-disciplinary curriculum aimed at educating the whole person and providing transfer to a four-year college or university.

**TOTAL REQUIRED: 61 Semester Credits**
ASSOCIATE OF ARTS COURSE REQUIREMENTS (2018-2019)
(Minimum 61 Semester Hours and a 2.0 GPA Needed to Graduate)

Associate of Arts Degree (AA)

I. English and Communication (minimum of 9 semester credits)
   A. Complete each of the following:
      ENG 105 and 106
   B. Select one of the following courses:
      SPC 101 or 112
   C. The following courses may be selected as part of distributed or
classic electives:
      ENG 101, 111, 225, 230, 925
      SPC 122

II. Mathematics and Sciences (minimum of 8 semester credits)
    One mathematics course (3 semester hours) and one lab science (3
semester hours) are required. An additional mathematics course or
science course must be selected to fulfill the remaining hours
required.
   A. You may select from the following courses to meet the
      mathematics requirement:
      MAT 110, 117, 118, 120, 125, 140, 156, 161, 210, 216, 219,
      226
   B. You may select from the following courses to meet the lab
      science requirement:
      BIO 101 and 103, 120, 121, 122, 127, 161 and 199, 175 and
      176, 178 and 179, 187
      CHM 121, 132, 157, 158, 159, 166, 176, 251, 252, 253
      ENV 105 and 106, 110
      PHS 184 and 186
      PHY 101 and 102, 200, 201, 202
   C. You may select from the above courses or any of the following
to fulfill the remaining mathematics/science credit hour
requirements:
      BIO 925, 949
      CHM 924, 949
      EGR 160, 162, 165, 180, 284, 290, 400, 401, 402, 410, 411,
      412, 420, 440
      ENV 142
      MAT 101, 925, 952
      SCI 130

III. Social Sciences (minimum of 9 semester credits)
    A. You must select one of the following history courses:
       HIS 110, 111, 151, 152
    B. The remaining six semester credits may be selected from the
above courses or from the following history, social science,
and behavioral science courses:
       ANT 105
       ECN 110, 120, 130
       GEO 121, 924, 949
       HIS 121, 125, 141, 201, 214, 257, 927, 949
       POL 111, 121, 949
       PSY 111, 112, 121, 223, 226, 241, 251, 281, 296, 924,
       949
       SOC 110, 115, 120, 135, 147, 170, 230, 240, 242, 244, 245,
       261, 280, 924, 949

IV. Humanities and Fine Arts (minimum of 8 semester credits)
   A. You must select at least 3 semester credits from the following
literature courses:
      LIT 101, 110, 112, 113, 140, 141, 150, 152, 153, 157, 161,
      165, 167, 168, 171, 175, 181, 190, 802, 804, 806
   B. The remaining 5 credits may be selected from any of the above
courses or any of the following:
      ART - any course
      CLS 106, 150, 155, 175, 185, 215, 216, 217, 222, 930
      DRA 101, 108, 109, 110, 130, 132, 133, 162, 180, 181,
      235, 280, 281
      FLF 131, 132, 133, 145, 231, 232, 233, 245
      FLS 125, 131, 132, 133, 153, 154, 231, 232, 233
      HUM 135, 136, 137, 205, 210, 927, 952
      MUA - any course
      MUS - any course
      PHI 101, 105, 114, 120, 121, 145
      REL 101
      WST 101

V. Computer Literacy (minimum of 1 semester credit counted as
   General Elective hours). Select from the following courses:
      CSC 105 or 110

VI. Distributed Electives (7 semester credits). Electives in this area
must be chosen from English/Communication,
Mathematics/Sciences, Social Sciences, or Humanities/Fine Arts.

VII. How To Be Successful In College: SDV101 (3 semester credits)

VIII. General Electives (16 semester credits). These unrestricted
      electives may be selected from the previously mentioned areas or
      any of the following courses:
      Business
      ACC 121, 122, 221, 931
      BUS 102, 104, 130, 188, 204, 924, 932, 949
      FIN 121
      MGT 101, 170, 220
      MKT 110, 140, 198
      Education
      EDU 120, 121, 122, 213, 235, 260, 925, 949
      Physical Education
      PEA 122, 135, 152, 155, 188, 222, 235, 288
      PEC 112, 113, 128, 162, 163, 164
      PEH 102, 115, 142, 162, 176, 210, 215
      PET 105, 140, 146, 150, 171, 181, 185, 230, 240, 250
      PEV 107, 108, 207, 208
      Other
      CSC 130
      MMS 241
      SDV 126, 142

*A maximum of 16 semester credits (subject to Registrar approval) may
be awarded for some technical education course work.

July 2018
ASSOCIATE OF SCIENCE COURSE REQUIREMENTS (2018-2019)

(Minimum 61 Semester Hours and a 2.0 GPA Needed to Graduate)

Associate of Science Degree (AS)

I.  English and Communication  (minimum of 9 semester credits)
   A.  Complete each of the following:
       ENG 105 and 106
   B.  Select one of the following courses:
       SPC 101 or 112
   C.  The following courses may be selected as part of distributed or
general electives:
       ENG 101, 111, 225, 230, 925
       SPC 122

II.  Mathematics and Sciences  (minimum of 30 semester credits)
     One mathematics course (3 semester hours) and one lab science
course (3 semester hours) are required. An additional 24 semester
credit hours in either mathematics or science must be selected to
fulfill the remaining hours required.
     A.  You may select from the following courses to meet the
         mathematics requirement:
             MAT 110, 117, 118, 120, 125, 140, 156, 161,
             210, 216, 219, 226
     B.  You may select from the following courses to meet the lab
         science requirement:
             BIO 101 and 103, 120, 121, 122, 127, 161 and
             199, 175 and 176, 178 and 179, 187
             CHM 121, 132, 157, 158, 159, 166, 176, 251, 252, 253
             ENV 105 and 106, 110
             PHS 184 and 186
             PHY 101 and 102, 200, 201, 202
     C.  You may select from the above courses or any of the following
to fulfill remaining mathematics/sciences credit hour
requirements:
             BIO 925, 949
             CHM 924, 949
             EGR 160, 162, 165, 180, 284, 290, 400, 401, 402, 410, 411,
             412, 420, 440
             ENV 142
             MAT 101, 925, 952
             SCI 130

III. Social Sciences  (minimum of 9 semester credits)
     A.  You must select one of the following history courses:
         HIS 110, 111, 151, 152
     B.  The remaining six semester credits may be selected from the
above courses or from the following:
         ANT 105
         ECN 110, 120, 130
         GEO 121, 924, 949
         HIS 121, 125, 141, 201, 214, 257, 927, 949
         POL 111, 121, 949
         PSY 111, 112, 121, 211, 223, 226, 241, 251, 281, 296, 924,
         949
         SOC 110, 115, 120, 135, 147, 170, 230, 240, 242, 244, 245,
         261, 280, 924, 949

IV.  Humanities and Fine Arts  (minimum of 8 semester credits)
     A.  You must select at least 3 semester credits from the following
literature courses:
         LIT 101, 110, 112, 113, 140, 141, 150, 152, 153, 157, 161,
         165, 167, 168, 171, 175, 181, 190, 802, 804, 806
     B.  The remaining 5 credits may be selected from any of the above
courses or any of the following:
         ART - any course
         CLS 106, 150, 155, 175, 185, 215, 216, 217, 222, 930
         DRA 101, 108, 109, 110, 130, 132, 133, 162, 180, 181, 235,
         280, 281
         FLF 131, 132, 145, 231, 232, 233, 245
         FLS 125, 131, 132, 133, 153, 154, 231, 232, 233
         HUM 135, 136, 137, 205, 210, 927, 930, 952
         MUA - any course
         MUS - any course
         PHI 101, 105, 114, 120, 121, 145
         REL 101
         WST 101

V.  Computer Literacy  (minimum of 1 semester credit counted as
     General Elective hours). Select from the following courses:
         CSC 105 or 110

VI.  How To Be Successful In College: SDV 101 (3 Semester Credits)

VII. General Electives
     These unrestricted electives maybe selected from the previously
mentioned areas of any of the following courses:
     Business
         ACC 121, 122, 221, 931
         BUS 102, 104, 130, 188, 204, 924, 932, 949
         FIN 121
         MGT 101, 170, 220
         MKT 110, 140, 198
     Education
         EDU 120, 121, 122, 213, 235, 260, 925, 949
     Physical Education
         PEA 122, 135, 152, 155, 188, 222, 235, 288
         PEC 112, 113, 128, 162, 163, 164
         PEH 102, 115, 142, 162, 176, 210, 215
         PET 105, 140, 146, 150, 171, 181, 185, 230, 240, 250
         PEV 107, 108, 207, 208
     Other
         CSC 130
         MMS 241
         SDV 126, 142
     *A maximum of 16 credits (subject to Registrar approval) may be
awarded for some technical education courses work.

</tbody>
</table>

This is the sequence for Math and Science Courses and does not include General Education courses.

Location: Ottumwa Campus

Start Term: Fall Term

---

1Principles of Chemistry I has a prerequisite of Introduction to General Chemistry or equivalent background in chemistry.

NOTE: General Chemistry I and General Chemistry II are taught in the summer and are equivalent to Principles of Chemistry I, II and III.

NOTE: Students should have a strong background in advanced algebra and trigonometry before enrolling in Calculus I. College Algebra and Precalculus can be taken in the freshman year.
# Biology Curriculum
## Associate of Science Degree

**Location:** Ottumwa Campus  
**Start Term:** Fall Term

**Math and Science transfer requirements:**
* Math requirements vary with each university.  
  Be sure to check your transfer institution BEFORE enrolling in math courses.

** All biology majors will need a full year of General Biology and Principles of Chemistry or General Chemistry taken in the sequence and term listed.

*** See back side for literature, social sciences, and humanities/fine arts course offerings.

---

## Suggested Course Sequence

### Term I – Fall

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

### Term III – Spring

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>MAT 125</td>
<td>3</td>
</tr>
<tr>
<td>CHM 159</td>
<td>4</td>
</tr>
<tr>
<td>SPC 101</td>
<td>3</td>
</tr>
<tr>
<td>OR</td>
<td></td>
</tr>
<tr>
<td>SPC 110</td>
<td>3</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>7-10</strong></td>
</tr>
</tbody>
</table>

### TERM IV – Fall (2nd Year)

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 120</td>
<td>4</td>
</tr>
<tr>
<td>MAT 210</td>
<td>3</td>
</tr>
<tr>
<td>LIT XXX</td>
<td>3</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>10</strong></td>
</tr>
</tbody>
</table>

### Term V – Winter (2nd Year)

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 122</td>
<td>3</td>
</tr>
<tr>
<td>MAT 216</td>
<td>3</td>
</tr>
<tr>
<td>HIS XXX</td>
<td>3</td>
</tr>
<tr>

<td>3</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>12</strong></td>
</tr>
</tbody>
</table>

### Term VI – Spring (2nd Year)

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 121</td>
<td>3</td>
</tr>
<tr>
<td>MAT 219</td>
<td>3</td>
</tr>
<tr>
<td>XXX XXX</td>
<td>3</td>
</tr>
<tr>
<td>XXX XXX</td>
<td>3</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>12</strong></td>
</tr>
</tbody>
</table>

**TOTAL CREDIT HOURS**  
63-66 credits

---

^OPTION to Principles of Chemistry sequence:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>CHM 166</td>
<td>5</td>
</tr>
<tr>
<td>CHM 176</td>
<td>5</td>
</tr>
</tbody>
</table>

These classes are offered during the summer. Completion of these two courses meets the same requirement as taking the three Principles of Chemistry courses.

It is strongly advised to ask the program director or a biology instructor for guidance in meeting the transfer requirements for specific universities.

The Associate of Science degree with biology focus is designed for any student who plans to transfer to a 4-year university with the intent to major in biology.

**TOTAL CREDIT HOURS** 63

*Spanish courses need to be taken in the sequence as listed. A typical sequence starts in the Fall term of the first year and is completed in the Spring term of the second year with no summer classes taken.

**Options:**

1. Students may choose to take their Elementary Spanish sequence in the Winter, Spring, and Summer terms of the first year. OR
2. Students may take an accelerated Elementary Spanish sequence in the summer in order to begin the Intermediate sequence in the fall. The accelerated sequence is completion of all three Elementary Spanish courses in one 12-week summer session.

Location: Ottumwa Campus

- The Associate of Arts Degree is designed for any student who plans to transfer to a 4-year college or university. The AA degree will meet the general education requirements for most colleges or universities.
- Many courses are offered online.
- See other side of this sheet for Associate of Arts degree core requirements.

## Arts & Sciences Transfer Majors

The Arts and Sciences program is designed to prepare students for a variety of majors at the baccalaureate level. During the first two years of undergraduate study, most of the course work consists of general education courses and courses common to any major. Therefore, many students prefer to begin their educational path with a very general or undecided direction of course work. The Arts and Sciences program is designed around that premise. However, in order to provide direction to those persons who have very definite career goals, as well as those who are experimenting with several major areas of study, Indian Hills has created transfer majors for many baccalaureate institutions where most Indian Hills students transfer. If students know the exact program of study and the college or university where they will transfer, a more specific program can also be tailored to meet individual needs. Suggested courses for students who do not wish to focus on any particular area (undecided) are included as well. For information go to the IHCC website [www.indianhills.edu](http://www.indianhills.edu) select courses and programs, Arts & Sciences.

Specific classes and suggested course sequences are available in the Indian Hills College Catalog. Students should consult with an advisor and the four-year institution to which they plan to transfer to determine specific requirements for the major they intend to pursue. The recommended courses are based on a comparison of various programs and should not be considered a substitute for consulting with an Academic Advisor.
**Criminal Justice Associate of Applied Science**

It is the goal of the Criminal Justice program to provide the students with a general knowledge of the criminal justice system so they might obtain employment in their chosen field within that system. The Criminal Justice program, as an integral part of Indian Hills Community College, believes its main purpose is to provide a program for men and women to prepare for entry-level positions or to continue their education in their chosen field. All applicants to this 21 month program will undergo a criminal background check. The program is closed to all applicants with a felony record or any other criminal record that would be a likely barrier to future employment. Because of the employment requirements, we believe it is not appropriate to allow a student to continue in a program where he/she has no chance to be employable. It would not benefit the student to strive toward unrealistic expectations of employment. Therefore student behavior is assessed throughout the program. The faculty believes the criminal justice system is in constant change which requires college programs to provide a broad education that is essential in criminal justice and that allows for technical courses that reflect those changes. We believe in focusing on major issues concerning criminal justice as a profession and on those people who are actors in a changing profession. Because of the nature of some aspects of criminal justice, we believe we have the responsibility to the community and public to carefully screen and advise those persons choosing criminal justice as a profession. We attempt to counsel students in identifying learning needs, choosing an area of concentration, and directing them to best meet these needs.

Students entering criminal justice have unique pre-employment qualifications because of the nature of public safety work. **These qualifications may include passing extensive criminal/character background checks, physical examinations, polygraph testing, oral boards, drug screening, and psychological testing.** Each student should be aware of these requirements. Those students who choose a seventh term internship must be aware that each agency may ask the student to meet the same hiring guidelines required of any employee of the agency.

Upon completion of the Criminal Justice program, students will be able to:

- Understand the major subsystems in the criminal justice field and how each functions
- Know the general concepts of the criminal law based on the Model Penal Code
- Understand the impact the United States Constitution has on various criminal justice components and its actors
- Know the theories of crime causation
- Demonstrate sound ethical values when making decisions in the criminal justice field
- Identify the major theories of crime causation

In each term of the student's academic program, the student will be evaluated by the Program Director, full time, and adjunct staff. Using a variety of assessment instruments (which may include, but not be limited to, academic assessment, interest inventory, and background assessment), the student will be counseled as to whether to continue the program.

The Criminal Justice program is student-centered concerning institutional approaches, and in being so we believe the student shares the responsibility for learning. By combining general and technical education with assessment, counseling and internship experiences, we believe that the student should meet those hiring standards currently in practice.
### Criminal Justice Curriculum

**Associate of Applied Science Degree**

#### Location: Ottumwa Campus

*Start Term: Fall, Spring and Summer Term*

#### Term I
- **CRJ 100** Intro to Criminal Justice 3
- **CRJ 101** Ethics in Criminal Justice 3
- **ENG 105** Composition I 3
- **SPC 112** Public Speaking 3
- **Total** 12

#### Term II
- **ENG 106** Composition II 3
- **SOC 147** Foreign and Domestic Terrorism 3
- **SOC 242** Introduction to Corrections 3
- **SOC 244** Criminal Procedures 3
- **Total** 12

#### Term III
- **CRJ 110** Patrol Procedures 3
- **CRJ 141** Criminal Investigation 3
- **PSY 111** Introduction to Psychology 3
- **SOC 245** Criminal Law 3
- **Total** 12

#### Term IV
- **CRJ 248** Firearms 2
- **CSC 105** Computer Essentials 1
- **MAT 110** Math for Liberal Arts 3
- **XXX XXX** Lab/Science Elective 3
- **Approved Culture Elective** 3
- **Total** 12

#### Term V
- **CRJ 106** Interviewing & Writing Strategies 3
- **CRJ 242** Applied Criminalistics 3
- **CRJ 263** Criminal Justice Careers Seminar 3
- **PSY 241** Abnormal Psychology 3
- **Total** 12

#### Term VI
- **CRJ 210** Law Enforcement Management 3
- **POL 111** American National Government 3
- **SOC 230** Juvenile Delinquency 3
- **SOC 240** Criminology 3
- **Total** 12

#### Term VII
- **CRJ 150** Defensive Tactics 1
- **CRJ 932** Internship 7
- **Total** 8

---

**Students planning on continuing their education at a 4-year university or college should follow the Associate of Arts degree curriculum with an emphasis in Criminal Justice on the reverse side of this page.**

**Many of the courses in the Criminal Justice program are offered online. Therefore, students can complete the majority of their coursework online.**

- The Associate of Arts Degree is designed for any student who plans to transfer to a 4-year college or university. The degree will meet the general education requirements for most colleges.

- Turn page over for Associate of Applied Science Degree Curriculum.

- Many of the courses in the Criminal Justice program are offered online. Therefore, students can complete the majority of their coursework online.
Culinary Arts

Mission
Provide professional skills, knowledge, attitudes and work habits for each student. Support career preparation in the hospitality industry with a wide variety of occupational choices.

Program Goals
- Challenge students to be successful in all classes and labs
- Encourage students to have employment related to the culinary industry
- Be alert to changes in our industry and share that information with fellow culinarians
- Encourage students involvement in clubs, activities, and community events related to Culinary Arts
- Provide students opportunities for competitions
- Assist students with additional education funding
- Provide on-going support to our graduates

Hotel & Restaurant Management

Indian Hills’ Hotel and Restaurant Management Program will provide students with opportunities to reach management level positions upon graduation as well as provide staff training and recruitment for Iowa’s expanding hotel and lodging industry. Students will attend both on-line and on campus classes as well as learn in real time with on-site practicums through sponsoring food service affiliates. The program will provide opportunities for students to earn certification from the American Hotel and Lodging Association as well as the National Restaurant Associations’ Manage First Program.

Associate of Applied Science Degree

**Location:** Ottumwa Campus

**Start Term:** Fall Term
Reverse Credit Transfer
Reverse credit transfer is a partnership developed by the Board of Regents and Iowa’s public universities in close collaboration with Iowa’s community colleges to facilitate the transfer of credits back to one of Iowa’s community colleges for the purpose of providing an opportunity for students to attain a degree, diploma or certification.

The agreement builds on the many existing collaborative arrangements between the institutions that promote the success of community college students as they transition to Iowa’s public universities.

How does reverse credit transfer work?
Iowa community college transfer students have the opportunity to participate in the reverse credit transfer agreement. Community college students indicate their interest, at the time of application to the university, in applying future credits earned at the university toward the completion of their associate degree, diploma or certification.

By doing so, the student agrees to have his/her university transcript sent back to his/her community college while enrolled at the university. The community college will then evaluate this coursework to determine if degree, diploma or certification requirements are met. The community college makes the decision on whether a degree or other credential will be granted. Any credential will be awarded in the semester/year all final requirements are met.

The sending of the university transcript to the community college does not guarantee the granting of a degree or other credential. This is at the discretion of and subject to the degree and residency requirements of the community college, which is the degree granting institution.

Value of an Associate’s Degree Using Reverse Credit Transfer
An associate’s degree is an important milestone in your education, as well as a valuable credential to have on your resume.

- Research shows that if you transfer with an associate’s degree, you are more likely to complete your four-year degree.
- Through reverse transfer, you may earn your associate’s degree while pursuing your bachelor’s degree.
- Completing your associate’s degree provides a more accurate and complete portrait of your educational attainment and can provide a more structured pathway toward further academic study.
- By completing your Associate of Arts degree, you may meet the general education requirements at the university. You are encouraged to speak with your advisor to discuss the details and explore your options.
- Getting your associates degree will give you a sense of pride and achievement in earning a degree – which is yours for life.
- Earning an associate’s degree, a diploma, or certification provides another credential to include on your resume, which
  - May help make you more competitive when applying for jobs and scholarships, and
  - May also help you meet job qualifications/requirements
- The associate’s degree may open the door to a good job opportunities, even while you’re still working on your bachelor’s degree.
  - Employers value the associate’s degree as evidence of your commitment to expanding your knowledge and achieving your educational goals.
  - It’s the nation’s fastest-growing academic credential, and employers recognize its value when recruiting and hiring.
- An earned associate’s degree may also open doors for career advancement.
- You may increase your potential for higher income with an associate’s degree.
- Earning an associate’s degree through reverse transfer ensures that you won’t walk away empty-handed should you withdraw prior to completing a bachelor’s degree.
- An earned associate’s degree is an employable credential and provides a platform on which to build should you return to college for a bachelor’s degree at a later time.
- You will have free transcript exchange between/among former and current school during the reverse credit transfer program.

Policies

Appropriate Communication
Communication with faculty, staff and fellow students should be respectful and appropriate. This includes face-to-face as well as electronic communication. Students who express inappropriate or disrespectful comments to others may be disciplined. Disciplinary consequences may include removal from a course or from the college. This policy is in accordance with the Quality of Life Code stated in the Indian Hills Community College Student Handbook.

Attendance
Class attendance is critical to student success. Students should plan on attending each class meeting. Arts and Sciences faculty members establish their own classroom attendance policies.
In general, instructors must comply with three restrictions regarding the formulation of these policies:
1. Attendance policies must be stated in the course syllabus;
2. They must be fair; and
3. They must apply equitably to all students.

Students should check with their instructor and the course syllabus regarding attendance polices, as instructors’ policies differ. Making up work is at the discretion of the instructor, so students must know their instructor’s policies. It is the student’s responsibility to obtain any information and/or assignments missed during an absence. Absences do not excuse a student from course assignments or deadlines.

**Cell Phones**

Students are not allowed to have cell phones turned on in class unless they are part of the student’s job or in case of emergencies.

**Students Attending School-Sanctioned Events**

It is the intention of IHCC to provide meaningful and equitable education for all students. No individual student or group of students will receive either preferential or punitive treatment; all students will have an equal opportunity to perform to the best of their abilities. IHCC recognizes that students should be allowed to make up work missed while attending school-sanctioned events. IHCC also recognizes that the total educational experience of the student is of primary importance and that the student must take responsibility for his/her own academic growth. In order to ensure that students can realize both their scholastic and extracurricular goals, they need to follow these basic rules:

1. When students schedule their classes, they should keep in mind that they need to minimize the number of absences from classes. In addition, they should inform their advisor of any conflict between class time and extra-curricular schedules.
2. At the beginning of the term, or as soon thereafter as possible, students should present their instructors with a list of required absences.
3. Prior to missing class for a school-sanctioned event, the student must make arrangements with instructors for any tests, quizzes, and class work that he/she will miss.
4. If a student has any question about an instructor’s execution of these policies, that student should speak to the instructor first. If a satisfactory conclusion is not reached, the student then should speak with the appropriate department chair or dean.
5. Students attending school-sanctioned events are representing IHCC and must adhere to school policies regarding conduct.

**Academic Misconduct Policy**

**Academic Integrity Statement**

Indian Hills Community College expects a full commitment to academic integrity from each student.

Academic integrity means:
- Your work on each assignment will be completely your own
- Your collaboration with another classmate on any assignment will be pre-approved by your instructor.
- You will not plagiarize in any form
- You will not allow others to copy your work
- You will not misuse content from the Internet
- You will not manufacture or falsify data
- You will not receive assistance from another person or other outside source (book, internet, etc) while taking any type of test or completing an online course
**Academic Misconduct**

Plagiarism or any form of cheating on assignments, quizzes, exams or any course materials is considered academic misconduct and will not be tolerated. Plagiarism is defined as copying or using ideas or words (from another person, an online classmate, or an internet or print course) and presenting them as your own. Students should be aware of the various types of plagiarism when writing papers or reports. These include but are not limited to students who:

- Buy a paper from an Internet site, another student or writer, or any other source
- Turn in any paper that someone else has written, whether it was given to you, you download it from the Internet, or you copied it from any other source
- Change selected parts of an existing paper, and claim the paper as your own
- Combine the ideas from many sources and claim that they’re your own thoughts
- Use general or specific ideas from a source without using full and correct documentation telling where you got the ideas
- Copy or paste into your paper any key terms, phrases, sentences or longer passages from another source without using documentation to tell precisely where the material came from
- Neglect to put quotation marks around words that you quote directly from a source, even if you document the source

**Academic Integrity Requirements**

1. Indian Hills Community College requires all students taking online exams to utilize Respondus Lockdown Browser and Respondus Monitor.
2. Students completing make-up exams or exams through distance learning must do so through a pre-approved proctor.

**Sanctions for Academic Misconduct**

Indian Hills Community College takes all cases of academic misconduct seriously utilizing various forms of technology to monitor and detect academic misconduct. Faculty may require students to use technology that searches for instances of plagiarism in written assignments and software that ensures academic integrity while taking quizzes or exams. Faculty will report instances of academic misconduct through the college’s electronic reporting system. Students who commit academic misconduct are subject to the following sanctions:

1. Failure of the assignment
2. Failure of the course
3. Removal from the academic program
4. Indefinite suspension from the college

Each case of academic misconduct will be reviewed by the appropriate faculty member and college administration. Cases of academic misconduct deemed to be a serious threat to the academic mission of the program or institution may result in immediate action including indefinite suspension from the college. A higher level of sanction may be deemed appropriate if a student has prior academic misconduct offenses.

**Appeal of Academic Misconduct**

Students who fail a course due to academic misconduct may appeal the course failure by following the Indian Hills Community College Appeal of Final Grade Policy. Students who have reached the level of removal from an academic program or indefinite suspension from the college due to academic misconduct may appeal this decision using the following process:
1. The student wishing to complete an academic misconduct appeal hearing before the Academic Standards Committee must submit in writing and must fully state the basis for the academic misconduct appeal. The written appeal shall be filed by the student with the Executive Dean of Student Services within 15 regular academic days following the decision. The written appeal should be completed in the form of a standard business letter. The appeal letter must document the rationale for the appeal, and include appropriate facts related as to why the individual believes they did not complete academic misconduct.

2. The Executive Dean of Student Services shall present the student’s written appeal to the chairperson of the Academic Standards Committee. The written appeal shall be sent electronically to the chairperson who will set a hearing date in the consultation with other members of the Academic Standards Committee. The chairperson will have 5 regular academic days to identify the appropriate meeting date, time, and location of the hearing. The chairperson of the Academic Standards Committee will communicate in writing the date of the hearing to the student and appropriate faculty member or college administrator.

3. At least 5 regular academic days of notice must be given to the parties affected to insure an opportunity to prepare for the hearing. The Academic Standards Committee hearing shall be held in closed session unless the student requests in writing to the Chair of the Academic Standards Committee that it be open. The open session must be requested 2 regular academic days prior to the hearing.

4. During the hearing, both the student making the appeal and the faculty member or college administrator who issued the program removal or indefinite suspension shall be given the opportunity to testify and present evidence and/or witnesses. Each shall have the opportunity to hear and question adverse witnesses.

5. The Academic Standards Committee decision shall be based solely on the evidence introduced at the hearing. The student has the burden of proving that there are sufficient grounds that academic misconduct was not completed.

6. After hearing the appeal, the Academic Standards Committee shall have up to 2 regular academic days to decide either to reject the appeal or to uphold it. The Office of the Executive Dean of Student Services will be notified of the decision and rationale for the decision in writing by the Academic Standards Committee chairperson. The Executive Dean of Student Services shall in turn notify in writing the appropriate faculty member or college administrator of the decision. Should the appeal be granted, the committee chairperson and the faculty member or college administrator shall determine the steps to reinstate the student. The decision of the Academic Standards Committee is final.

A student who wishes to pursue the academic program removal or indefinite suspension beyond the jurisdiction of the Academic Standards Committee may submit a written appeal within five (5) days through the Executive Dean of Student Services to the Vice President of Academic Affairs, who will review all facts and determine if the student’s due process rights were protected.

**Use of Tobacco Products**

Indian Hills Community College is committed to providing a tobacco-free environment for our staff, students, constituents, and visitors to our campuses. Tobacco use is prohibited on college property including in its buildings, college owned vehicles, outdoor areas, or any vehicle located on college grounds. This policy is consistent with the Iowa Smokefree Air Act.

**Final Grade Appeal Process**

Indian Hills Community College students are responsible for maintaining standards of academic performance established by the instructor for each course in which they are enrolled. A student may appeal a final course grade that he/she feels is inaccurate or unwarranted. The final grade appeal process is recognized as the appropriate
method students may utilize to appeal a disputed grade. The final grade appeal process should begin as soon as possible following the date of issue of final grades, and in any case, no later than 10 regular academic days into the next college term following the enrollment period for which the challenged grade was issued. (The college “term” is defined as fall, winter, spring, summer one, summer two, or full summer)

Indian Hills Community College will provide students the appropriate due process in disputing final grades. All grades submitted by faculty are considered final and a part of a student’s permanent academic record. Indian Hills Community College believes it is the student’s responsibility to review and understand the final grades on their permanent academic record. Indian Hills Community College provides students access to final grades and their permanent academic record. Students who do not initiate the appeal of final grades within 10 regular academic days forfeit the right to appeal a final grade, and the grade on the permanent academic record is final.

Grade Appeal Process

1. The student shall confer with the instructor who issued the challenged grade to ascertain and/or reaffirm the method for grade determination. If the matter is not resolved at this point, the student may proceed to step 2.

2. The student shall confer with the appropriate program director or department chair. The program director or department chair shall confer with the instructor and the student, and the program director or department chair shall render an opinion to the student.

3. If unsatisfied with the opinion of the program director or department chair, the student may confer with the Academic Dean. It is understood that the Academic Dean will initiate a closed meeting between the student and instructor, and act in a mediating role to ensure that no misunderstanding exists regarding the grading policy of the instructor. If the matter is not resolved at this point, the student may initiate a final grade appeal to be reviewed by the Academic Standards Committee. The final grade appeal reviewed by the Academic Standards Committee must be initiated by the student no later than 15 regular academic days into the next college term following the enrollment period for which the challenged grade was issued. (The college “term” is defined as fall, winter, spring, summer one, summer two, or full summer)

4. The student wishing to complete a final grade appeal hearing before the Academic Standards Committee must submit in writing and must fully state the basis for the grade challenged, identifying the reason or reasons the student feels the grade is unwarranted. The written appeal shall be filed by the student with the Executive Dean of Student Services within 15 regular academic days into the next college term. The written appeal should be completed in the form of a standard business letter, identify the course name and the faculty member teaching the course. The appeal letter must document the rationale for the appeal, and include appropriate facts related the final grade being appealed.

5. The Executive Dean of Student Services shall present the student’s written appeal to the chairperson of the Academic Standards Committee. The written appeal shall be sent electronically to the chairperson who will set a hearing date in the consultation with other members of the Academic Standards Committee. The chairperson will have 5 regular academic days to identify the appropriate meeting date, time, and location of the hearing. The chairperson of the Academic Standards Committee will communicate in writing the date of the hearing to the student and faculty member involved in the final grade dispute.

6. At least 5 regular academic days of notice must be given to the parties affected to insure an opportunity to prepare for the hearing. The Academic Standards Committee hearing shall be held in closed session unless the student requests in writing to the Chair of the Academic Standards Committee that it be open. The open session must be requested 2 regular academic days prior to the hearing.

7. During the hearing, both the student making the appeal and the instructor who issued the challenged grade shall be given the opportunity to testify and present evidence and/or witnesses. Each shall have the opportunity to hear and question adverse witnesses.
8. The Academic Standards Committee decision shall be based solely on the evidence introduced at the hearing. The student bares the burden of proving that there are sufficient grounds to change the grade.

9. After hearing the appeal, the Academic Standards Committee shall have up to 2 regular academic days to decide either to reject the appeal or to uphold it. The Office of the Executive Dean of Student Services will be notified of the decision and rationale for the decision in writing by the Academic Standards Committee chairperson. The Executive Dean of Student Services shall in turn notify in writing the student and the instructor who issued the challenged grade. Should the appeal be granted, the committee chairperson and the instructor shall re-examine the student’s course work and recommend in writing appropriate steps to rectify the disputed grade. The decision of the Academic Standards Committee is final.

10. A student who wishes to pursue the grade appeal beyond the jurisdiction of the Academic Standards Committee may submit a written appeal within five (5) days through the Executive Dean of Student Services to the Vice President of Academic Affairs, who will review all facts and determine if the student’s due process rights were protected.

**Credit Exchange Policy**

The Credit Exchange Policy is intended to assist students who are in jeopardy of failing a course. Credit Exchange is an opportunity to exchange courses in order to improve the skills that are necessary to successfully complete transfer or technical credit classes.

**Credit Exchange Policy for Fall, Winter, and Spring Terms:**

From the 9th day class meeting up to and including the 28th day of class, students can withdraw from transfer or technical credit classes and enroll in developmental education classes with no additional tuition charges, if they are making an even exchange of credits. Students must enroll for the same number of developmental credits as the transfer/technical credits they are dropping in order to incur no additional tuition charges or adversely affect their financial aid. (Example: 3 credit transfer/technical class exchanged for developmental courses equaling 3 credits.)

A maximum of 6 credit hours per term may be exchanged at no additional charge. Developmental credits that are in addition to the six credits being exchanged will be charged at the regular tuition rate. From the 28th day of the term through the end of the term, enrollments in developmental credit classes will be discouraged and students will be charged the regular tuition rate for enrollment in each DV credit course. Students may add developmental classes past this date only with the approval of SUCCESS Center faculty.

**Procedures for Credit Exchange:**

**Student Responsibility**

- Students who want to do Credit Exchange will go to the SUCCESS Center. Students must have the course titles and course numbers of the courses they wish to drop.
- Students will work with SUCCESS Center faculty to select appropriate developmental courses for Credit Exchange.
- Students who add SUCCESS Center credits in excess of the six credits they are exchanging will be financially responsible for each additional credit at the regular credit hour rate and will need to make arrangements for payment with the Business Office and/or the Financial Aid Office.
- Students are responsible for buying texts for developmental courses.
SUCCESS Center Responsibility

• SUCCESS Center faculty will advise students and recommend the appropriate developmental courses to replace the courses the student is dropping.
• SUCCESS Center faculty will complete an add/drop form for the Credit Exchange courses, listing the courses to be dropped and the developmental courses that are to be added. If students are adding developmental courses in addition to those that are being exchanged, the faculty member will complete a separate registration for the additional courses.
• The SUCCESS Center will immediately send the add/drop form(s) to Enrollment Services. Enrollment Services will process the add/drop form the same day it is received.
• As soon as the add/drop form is processed (which may involve a 24 hour turn-around time), students will be able to access MyHILLS for their developmental course materials.

Personal Issues

Individuals wishing to contact students in class because of an emergency should phone IHCC Security at (641) 683-5300. Students experiencing difficulties in dealing with personal problems are encouraged to seek out counseling for assistance. Any IHCC employee will help students locate the appropriate source necessary to resolve classroom and personal troubles. Individuals should be aware that, for the safety and privacy of students, IHCC employees will not give out a student's schedule.

IHCC Information Systems Acceptable Use Policy

Introduction

Information Systems are provided for the use of the Indian Hills Community College students, faculty and staff in support of the programs of the college. Access to the Information Systems is a privilege that is granted by the college. This privilege comes with a responsibility to respect the rights of other users and the rights of the college.

This policy is designed to guide students, faculty, and staff in the acceptable use of computer and information systems and networks provided by IHCC. Ethical and legal standards that apply to information technology resources derive directly from standards of common sense and common courtesy that apply to the use of any shared resource.

The purpose of these guidelines is to specify user responsibilities and to promote the ethical, legal, and secure use of Information Systems resources for the protection of all members of the IHCC community. The college extends membership in this community to its students and employees with the stipulation that they be good citizens, and that they contribute to creating and maintaining an open community of responsible users.

Agreement To Comply With Policy

All users of IHCC’s Information Systems agree to comply with the policies stated in this document, as well as any additional guidelines established by the college for each individual information system. By use of the college Information Systems, users agree to comply with these and any other college policies.

Guiding Principles For The Use Of IHCC Information Systems

Purpose of College Information Systems Resources: Indian Hills Community College Information Systems exist to provide a variety of services to the college community in support of instructional, research, and college business. The guidelines are intended to improve the information system services offered and provide these services in a cost-effective manner.
Academic Freedom: Consistent with other college policies, this policy is intended to respect the rights and obligations of academic freedom. As with all college resources, the IHCC community is encouraged to make innovative and creative use of information technologies in support of education and college services. Access to information representing a multitude of views on all issues should be allowed for the interest, information and enlightenment of the IHCC community.

Copyright and Non-Discrimination: The college policy recognizes that the purpose of copyright is to protect the rights of creators of intellectual property and to prevent the unauthorized use or sale of works available in the private sector. Also consistent with other college policies, an individual’s right of access to computer materials should not be denied or abridged because of race, creed, color, age, national origin, gender, sexual orientation, or disability.

Cautionary Statement: The college cannot protect individuals against the existence or receipt of material that may be offensive to them. Those who make use of electronic communications are warned that they may come across or be recipients of material they find offensive. Those who use email and/or make information about themselves available on the Internet should be forewarned that the college cannot protect them from invasions of privacy and other possible dangers that could result from the individual’s distribution personal information.

Consideration for Others: The Information system, computing and network facilities of the college are limited and should be used wisely and carefully with consideration for the needs of others and the public nature of the college. Computers and network systems offer powerful tools for communications among members of the community and of communities outside the college. When used appropriately, these tools can enhance dialogue and communication. When used inappropriately, however, these tools can infringe on the beliefs or rights of others, or the public purpose for which they were created.

Responsibilities Of Users Of IHCC Information Systems
The following examples, though not covering every situation, specify some of the responsibilities that accompany computer us at IHCC and/or on networks to which IHCC is connected. Use of IHCC’s Information Systems implies consent with these policies.

1. Access to Information Systems resources shall be authorized at a level to perform the educational or job function required by an individual.

2. IHCC computing and network resources are to be used for college-related communication, instruction, services, enrichment, dissemination of academic information, and administrative activities.

3. Users are expected to respect the rights of other users; for example, users shall not engage in private or public behavior that creates an intimidating, hostile, or offensive environment for other users. Users shall not intentionally develop or use programs that harass other users, infiltrate a computer or system and/or damage or alter the hardware or software components of a computer or system.

4. Users may not encroach on others’ use of Information Systems resources. Such activities would include: tying up computer resources for game playing or other trivial applications; sending frivolous or excessive messages, including chain letters, junk mail or unsolicited advertising, or other types of broadcast messages, locally or over the Internet; intentionally introducing any computer viruses or other rogue programs to the IHCC system causing physical or functional damage to systems. To respect the shared nature of the computing resources, users shall not engage in deliberately wasteful practices such as printing large amounts of unnecessary documents.

5. Users are responsible for using software and electronic materials in accordance with copyright and licensing restrictions and applicable college policies. IHCC equipment and software may not be used to violate copyright or the terms of any license agreement.
6. Users may not attempt to modify or crash the college system or network facilities. Users may not attempt to break into the accounts of other users at IHCC or on the Internet.

7. Students of IHCC and guests of IHCC may not install software on any college computer. Faculty and staff may not install software on the college network. Installations on the network are the responsibility of the IHCC Computer Information System department.

8. College computing facilities are a public resource and may not be used for personal profit.

9. Users must remember that information distributed through the college’s networking facilities is a form of publishing. For example, anything generated at IHCC that is available on the Internet represents IHCC and not just an individual. Even with disclaimers, the college is represented by its students, faculty and staff, and appropriate language, behavior and style are warranted.

**Administration and Implementation**

The Information Systems, facilities, equipment and accounts are owned and operated by IHCC. The college reserves all rights to the technology resources it owns and operates. IHCC may terminate any user’s access and service to the information systems without notice. Communication and projects carried on by IHCC staff through college resources are assumed to be business and professional matters.

The college reserves the right to examine all computer files, phone mail or email if it becomes necessary for reasons including, but not limited to, the following:

- To enforce its policies regarding harassment and the safety of individuals
- To prevent the posting of proprietary software or electronic copies of electronic texts or images in disregard of copyright restrictions or contractual obligations
- To safeguard the integrity of computers, networks, and data either at the college or elsewhere
- To protect the college against liability

The college may restrict the use of its computers and network systems for electronic communication when faced with evidence of violation of college policies, or federal or local laws. The college reserves the right to limit access to its networks through college-owned or other computers, and to remove/limit access to material posted on IHCC-owned computers.

All users are expected to conduct themselves consistent with these responsibilities and all other applicable college policies. Abuse of Information Systems privileges will subject the user to disciplinary action, as established by the applicable policies and procedures of the college, up to and including termination of employment or expulsion from the college. When appropriate, temporary restrictive actions will be taken by system or network administrators pending further disciplinary action and the loss of Information Systems privileges may result.

IHCC and users recognize that all members of the college community are bound by federal and local laws relating to civil rights, harassment, copyright, security and other statues relevant to electronic media. It should be understood that this policy does not preclude enforcement under the laws and regulations of the United States of America or the State of Iowa.

**Childcare/Restriction of Children in Classrooms**

Although necessities of childcare may occasionally conflict with a student’s attendance, children cannot be allowed to accompany a student to a class. The presence of children hinders the instructional process. Neither the comparative safety of any class nor the comparatively good behavior of any child should alter this policy. If a student brings a child to class, the student will not be permitted to attend the class.
Dean’s List/President’s List

Indian Hills Community College recognizes those students who have excelled in the classroom by compiling a list of Honor Roll students after each term. A student must be enrolled full-time to be included on the Honor Roll. It is made up of a President’s List and a Dean’s List. The Dean’s List is comprised of those students who have a grade point average between 3.5 and 3.9 for a given term. The President’s List is made up of those students with a perfect 4.0 grade point average for the term.

Services

Indian Hills Community College offers a variety of classes and services to assist students with reaching their academic and career goals.

Adult Literacy Programs and Non Credit ESL Classes

Students who are preparing to enter a college program or those needing to earn a high school equivalency diploma may enroll in the Adult Basic Education program. These courses are open to the public. Classes are scheduled on the Ottumwa and Centerville campuses and at locations throughout the ten counties of Area 15. Classes are available in basic skills (reading, writing, math), High School Completion, and Community English. The ABE program also offers an Education to Career course. Education to Career (ETC) is a program to support the non-traditional student transitioning to college or to increase skills for the workplace. Skill enhancement in math, writing, and computer literacy are emphasized, as well as strategies to ensure a successful college experience. For more information, interested persons may visit the Community Education Center (CEC) located at the North Campus, 15260 Truman Street.

County Service Centers

Indian Hills Community College operates five education centers located in county seat communities. The county service centers provide opportunities for students to take courses and earn credit toward a degree without leaving their home communities. The centers offer a wide selection of both credit and noncredit courses. Students may register for courses and take career and academic assessments at the centers. To schedule an appointment for Accuplacer at a county service center, contact the center where you would like to take the test.

The County Service Centers are:

- **Davis County Center**
  501 E. Locust, Bloomfield, IA 52537
  (641) 664-2050 | Fax (641) 664-2030

- **Jefferson County Center**
  112 S. Court, Fairfield, IA 52556
  (641) 472-6366 | Fax (641) 472-1504

- **Keokuk County Center**
  909 East Pleasant Valley, Sigourney, IA 52591
  (641) 622-3385 | Fax (641) 622-3273

- **Monroe County Center**
  322 C Avenue East, Albia, IA 52531
  (641) 932-5297 | Fax (641) 932-7085

- **IHCC William Penn Center**
  1710 N. Market, Oskaloosa, IA 52577
  (641) 673-0824 | Fax (641) 673-5451

Email at servicecenters@indianhills.edu
**English Language Learner**

The IHCC English as a Second Language Department (ESL) provides assistance in oral and written communication skills to students for whom English is not their native language. Tutoring and one-to-one assistance are available. Courses to develop and improve basic English skills are available for credit at the regular tuition rate. These are non-transferrable courses.

**Library**

Libraries are located on the Ottumwa and Centerville campuses. Each library offers comprehensive services and collections to support the informational needs of students, staff and community patrons. The college ID card serves as a library card, and must be presented to check out materials. Items are circulated for three weeks. Fines are charged for overdue materials.

Information is just a click away at [http://www.indianhills.edu/library/](http://www.indianhills.edu/library/). You can find the library link at the bottom of the college home page. Explore the library's web page for information on library locations, hours, policies, and research tips, and to gain access to thousands of books, CDs, DVDs, video tapes, audio books, e-books and videos, and full-text magazines, journals and newspapers. Online resources are available 24/7, providing staff and students with access to library materials any time or place.

- Use the card catalog to find books, videos, CDs, DVDs, e-books, audio books and videos.
- Use the database link to find full-text articles on thousands of topics. Database passwords are available through the MyHILLS account under the My Services tab.

Visit the library for reference, interlibrary loan, and photocopy service, research assistance, access to computers, wireless internet access, individual and group study space, and instruction on how to use library resources.

To speak to a librarian, call (800) 726-2585, ext. 5199 or (641) 683-5199 (Ottumwa) or (800) 670-3631, ext. 2237 (Centerville). Assistance is also available through the library's email account at library@indianhills.edu

**Skill Building Classes**

Skill Building courses are available through the IHCC SUCCESS Center. Courses are designed to prepare students for entry into a program or to provide academic tutoring and support for courses in their college major. Courses are offered to improve in the following areas: reading, writing, and math. Skill building classes are also available in orientation to college, library study skills, preparation for advanced mathematics, comprehensive writing skills, English as a Second Language, and many other areas. Students work with instructors in the SUCCESS Center and may also work with peer and professional tutors. Students may enroll in SUCCESS Center courses or request a tutor at any time and are not restricted to enrollment at the beginning of each term. All Skill Building courses are offered for credit.

Peer and professional tutors are available to students in many, but not all specialized subject areas. Tutors are available at no charge to the student, but tutoring is limited to the availability of tutors. The SUCCESS Center does not guarantee that tutors can be arranged for every subject area. Tutoring sessions can be arranged day and/or evening hours, and may be arranged in group or individual sessions.

The Ottumwa and Centerville Centers each contain computer labs for general use by IHCC students. On the Ottumwa campus, the center is housed in the Arts and Science Center (ASCO) and may be reached by calling (800) 726-2585, ext. 5238. The Centerville SUCCESS Center can be reached by calling (800) 670-3641, ext. 2232. The SUCCESS Centers may be contacted by email at successcenter@indianhills.edu
**Student Support Services Program**

Student Support Services (SSS) is a federally funded program. Program participants are eligible to participate in special workshops, tutoring, transfer trips to other Iowa colleges, cultural events and trips. Eligible participants may also receive student aid awards. The SSS office may be contacted by phone at (641) 683-5133, or by email at studentsupportservices@indianhills.edu.

**Testing Centers**

The IHCC Testing Centers offer a variety of tests to measure individuals’ aptitudes, abilities, and interests. Testing services are available to current students and to the general public. IHCC Testing Centers also provide licensure and certification testing for professionals and skilled trades. Career Assessment workshops are available to help students select a career or choose/change a college major. Testing Services include college entrance tests (ACT and Accuplacer), CLEP (College Level Examination Program), and graduate school admission tests. The Accuplacer assesses reading, writing and math skills. Accuplacer, ACT and SAT scores are used for academic advising and to determine admission to Health Science or other college programs. Testing for professional or occupational certification is available through the following companies: Pearson/Vue, Lasergrade/PSI, Castleworld and Comira. Other tests available include: chemical testing, computer certification tests, dental testing, certified nursing assistants, surgical technician testing, etc. Other tests are available upon request. Accuplacer and General Equivalency Exam tests are available at both IHCC Testing Centers and at IHCC County Service Centers. For a complete schedule of all IHCC testing services in the area, please call (800) 726-2585, ext. 5142 or email to: testing@indianhills.edu In Centerville, please call (800) 670-3641, ext. 2214.

**College Transfer**

Questions and Answers

1. **When should I begin planning my transfer to a four-year college?**
   It is never too early to begin your transfer planning. If you know which college or colleges you are seriously considering, discuss your plans with an academic advisor. The counselor will know if the schools you are considering have any requirements you need to complete here at IHCC. The choice of your college major also affects transfer requirements, so you should not only have early contact with the school, but also with your major’s department. Two early admission programs are also available. Planning ahead can save transfer students valuable time and money. Iowa’s 2 Plus 2 Guaranteed Graduation Plan is designed to help. Iowa community college students in select majors can use the 2 Plus 2 Plan to supplement their A.A. or A.S. degree with a bachelor’s degree from The University of Iowa after just two additional years of study. The Admissions Partnership Program is a partnership between participating community colleges and Iowa State University designed to provide an advantage to current and future students from those colleges who are planning to earn a bachelor’s degree at Iowa State. Program participants plan for a successful transfer to Iowa State University through advising activities, social and cultural opportunities, and satisfying academic requirements.

2. **Where can I find information about transferring?**
   [www.transferiniowa.org](http://www.transferiniowa.org) - this web site provides transfer information for University of Iowa, Iowa State and University of Northern Iowa.

3. **Don’t all colleges require the same thing?**
   No. Some have specific requirements that you can meet here as you complete your A.A. or A.S. degree. For example, some colleges require a foreign language to graduate with a four-year degree. You may take Spanish or French here at IHCC, which would count toward your A.A. graduation requirements and also fulfill the requirement of the four-year college you plan to attend later. IHCC academic advisors will help you plan your courses here to your best educational and financial advantage.
4. **Does IHCC have a transfer agreement with my transfer institution?**

IHCC has transfer/articulation agreements (which outline how courses will be accepted) with several institutions. The IHCC catalog gives an overview of the participating colleges under the subject heading “Articulation Agreements.” Talk to an academic advisor for more detailed information.

5. **If I change my mind later about which college I want to attend, won’t I have wasted a lot of time and taken classes I don’t need?**

No. The academic advisor will always advise you to take classes that count toward meeting your IHCC graduation requirements. Many people attend colleges different from their original choices. If you begin looking at several colleges in your first year at IHCC and remain flexible, you’ll be less likely to have transfer problems.

6. **Does it make a difference if I transfer without my Associate’s degree? Wouldn’t just having the 61 hours be the same?**

Some colleges will honor your A.A. or A. S. degree as meeting their general education requirements. In other words, you will have met their first two-year requirements. If the college you will be attending has this policy, it will be to your advantage to finish your degree even if you must stay a little longer. If you do not complete all the degree requirements, your transcript will be evaluated on a course-by-course basis. Some classes may not be accepted by the college as fulfilling its requirements. You may have to take first- or second-year classes at your new school. This will be an additional expense and could delay the completion of your college program. Other colleges will always evaluate each course separately even when you do have your degree. For these schools, early contact will help you select classes here at IHCC that will transfer to these institutions.

7. **When should I apply to a four-year school?**

Each school has its own admissions deadline. You need to contact an admissions counselor at the college you will transfer to for that specific information. In general, the earlier you make contact with the college, the better. It is a good idea to contact the admissions office six to nine months BEFORE you expect to start classes.

8. **Why contact them so early?**

As stated above, each college has its own deadlines for admission. In addition, there are individual deadlines for scholarship applications, loans, grants and other areas of financial assistance, and even class registration. Contacting schools early also will aid in selecting electives that will be accepted by the transfer college as stated in question/answer four.

9. **What records will my prospective college need to complete transfer of credits?**

Institutions usually require official transcripts of all college, university, and high school course work. Transcript requests should be made in writing and should include your signature. Many institutions have transcript request forms to simplify the process. Call or visit the admissions office of your previous institution to find out what specific information is required.

10. **How do I obtain an official IHCC transcript?**

Go to the registrar’s office (in the Bennett Student Services Building on the Ottumwa Campus); complete a “Request for Transcript” form. Your official transcripts will be mailed directly to your transfer institution after grades and/or degrees are posted (usually thirty days after the end of the term).

11. **Will I still be eligible for a Pell Grant at my new college?**

Yes. The Federal Pell Grant is a student aid program that assists undergraduate students. Just as you applied for a Pell Grant here, you will have to apply for a Pell Grant at your new college by completing a FAFSA (Free Application for Federal Student Aid). Contact the new school to obtain any other forms you might need.
12. **Private colleges are so expensive. How does anyone afford to go to them?**
Private colleges, such as William Penn and Buena Vista, often offer grants and scholarships that, along with the Iowa Tuition Grant, can sometimes reduce the costs to the same level as that of public colleges. You should talk with a college representative to check on levels of financial assistance before you eliminate any school you want to attend.

13. **What is the Iowa Tuition Grant? I must not be eligible for this grant because I didn’t get it here at IHCC.**
The Iowa Tuition Grant is only available to students who attend private Iowa colleges. It is funded by the State of Iowa and is available to students based on financial need just like the Pell Grant. In fact, you use the same financial assistance form for the ITG as you do for the Pell Grant. The ITGs are awarded only ONCE a year. The deadline is usually in the early spring. If you miss the deadline, you must wait until the next year to apply for this grant. If you are considering going to a private four-year school in Iowa, you will definitely want to apply for this grant.

**Academic Advisors**

One of your best transfer resources at IHCC is the academic advising available to assist you in planning your program. With this careful planning, your IHCC classes will meet your educational needs as the requirements of the school you plan to attend. IHCC Academic Advisors have years of experience working with students who want to continue their education and complete their bachelor’s degrees. Contact these Academic Advisors early and let them know of your plans.

**Registrar:**

**Activities**

**Academic Credit Tours**

Educational trips for academic credit are offered to facilitate classroom learning in the performing and visual arts. Trips are scheduled for fall, spring, and summer terms to major metropolitan areas such as Chicago, Minneapolis, or Kansas City. Students will visit museums, art galleries, or exhibitions, attend concerts or theatrical events, and explore the city while completing cultural assignments. **Contact:** Arts & Sciences at (641) 683-5228.

**Active Minds**

Active Minds at IHCC is an affiliate of the national organization Active Minds. It is a student-run organization devoted to increasing awareness of mental health issues. It is not a support group, but rather an organization that works to help educate the student body about mental health and provide information about resources available both on and off campus. **Contact:** Beverly Bethune (beverly.bethune@indianhills.edu) at (641) 683-5111, ext. 1811.
**Allies For Equality**
The purpose of this club is to provide a safe, supportive environment for lesbian, gay, bisexual and transgender students. **Contact:** Dr. Janene Sheldon (janene.sheldon@indianhills.edu) at (641) 683-5111, ext. 1833.

**Art Club**
The purpose of the Art Club is to provide interested students with various experiences in the visual arts. **Contact:** Mark McWhorter (mark.mcwhorter@indianhills.edu) at (641) 683-5111, ext. 1825 or Lisa Fritz (lisa.fritz@indianhills.edu) at (641) 683-5111, ext. 1816.

**Chamber Singers**
Is a select, auditioned vocal ensemble of 16-24 students that performs various styles of music. This group performs for IHCC concerts and also for groups and organizations in the Ottumwa community. Auditions occur at the beginning of fall term. **Contact:** Dr. Janene Sheldon (janene.sheldon@indianhills.edu) or (641) 683-5111, ext. 1833.

**Concert Choir**
This large ensemble is open to any IHCC student. The group performs 3-5 concerts per academic year, providing opportunities to experience a wide variety of choral literature and styles. **Contact:** Dr. Janene Sheldon (janene.sheldon@indianhills.edu) at (641) 683-5111, ext. 1833.

**Criminal Justice Club**
This club was established for students currently enrolled in the CJ program to engage community service projects and to assist in the promotion of the program. **Contact:** Tim King (tim.king@indianhills.edu) at (641) 683-5111, ext. 1839.

**Culinary Arts Club**
Students in the culinary program work on community projects, fund-raisers and activities to promote the program. **Contact:** Mark Fisher (mark.fisher@indianhills.edu) at (641) 683-5198.

**Disc Golf**
Enthusiasts and novices alike will experience one of Iowa’s finest disc golf courses, meet new people, develop team skills, and get plenty of fresh air and exercise. **Contact:** Dr. Victor Streeby (victor.streeby@indianhills.edu) at (641) 683-5111, ext. 1838.

**Drama Club**
Participate in all the areas of theatre: Acting, lighting, sound, costume, make-up, scenic, construction, special effects and marketing. Open to any student, any major. **Contact:** Dr. Jennifer Boyenga (jennifer.boyenga@indianhills.edu) at (641) 683-5111, ext. 1812.

**Jazz Band**
The ensemble allows students to perform an exciting array of unique vocal and instrumental versions of jazz, rhythm and blues, Latin and popular tunes. Much of the music for the group is arranged specifically for current members. Previous experience in jazz or improvisation is NOT a requirement. **Contact:** David Sharp (david.sharp@indianhills.edu) at (641) 683-5111, ext. 1836.
New Life Campus Fellowship
A student group focusing on Christian fellowship and discipleship. **Contact:** Rhonda Eakins (rhonda.eakins@indianhills.edu) at (641) 683-5111, ext. 1840.

Performing and Visual Arts Program
Student, faculty and professional artists exhibit art and perform concerts, plays, recitals, and musicals throughout the year. **Contact:** Dr. Jennifer Boyenga (jennifer.boyenga@indianhills.edu) or Arts & Sciences at (641) 683-5111, ext. 1812.

Phi Theta Kappa
Phi Theta Kappa is a nationally recognized honor society. Students are eligible for membership if they have completed 12 hours of course work leading to an associate degree program and have a GPA of 3.5 or above. A membership fee is required. **Contact:** Heidi Peterson (heidi.peterson@indianhills.edu) or (641) 683-5111, ext. 1832.

Poetry Club and Writers Club
The Poets and Writers Club encourages artistic expression through creative writing. All genres are explored, and we encourage experimentation. Meetings include an opportunity to make friends, inspire creativity, share writing, publish creative works, and plan and participate in events such as poetry readings. **Contact:** Joy Lyle (joy.lyle@indianhills.edu) at (641) 683-5111, ext. 1824.

Science Club
The Science Club provides opportunities for students to experience various scientific fields including astronomy, biology, chemistry, geology, physics, and medicine. It also provides opportunities for students to interact with other students interested in science and to participate in research projects, field trips, and outreach programs for IHCC. **Contact:** Dr. Lee Wymore (lee.wymore@indianhills.edu) at (641) 683-5111, ext. 1845.

The Academy
An organization for highly motivated students which is an excellent opportunity to share experiences with people who have similar interests. **Contact:** Beverly Bethune (beverly.bethune@indianhills.edu) at (641) 683-5111, ext. 1811.

Study Tips for Academic Success

Attend Every Class
• You cannot learn if you are not there.

Know Each of Your Instructors
• Contact your instructors when you have questions.
• Let your instructors know that you are interested in doing your best in class and ask for their advice on how to improve.

Manage Your Time
• Use a daily “To Do” list to accomplish tasks each day.
• Establish and follow a weekly schedule to ensure time for class studying and recreation.
• Develop a 12 week term calendar to track test dates, assignments, and work and family commitments.

Make a Friend in Each Class
• This person can be your study partner and someone with whom to compare class notes.

Be an Active Participant in Class
• Develop good listening skills.
• Sit in the front of the classroom.
• Maintain eye contact with the instructor.
• Ask questions related to the topic of the class when appropriate.

Develop Note Taking Skills
• Have a notebook or a section of a 3-ring binder for each class.
• Take notes every class day.
• Review and revise your notes within 24 hours of the class. Research indicates that you will forget 80% of a lecture within 24 hours. To remember information you must take notes and review/complete them within 24 hours. The more you review, the more you remember. To improve your memory over several weeks (to prepare for a test), you need to review your notes regularly.
• Be aware of clues from your instructor about what is important include in your notes:
  • Information repeated by the instructor;
  • Information written on the overhead, the chalk board, class handouts, and/or PowerPoint presentations;
  • Information followed by a pause (time to write it down);
  • Information delivered with emphasis.
• Date and give a title or topic to each day’s set of notes.
• Leave blanks in your notes when you miss information. After class ask the instructor or your study partner about what you missed.
• Develop a note taking system (such as the outline form) that allows you to use space as visual clues as to the importance of information and how information relates to other information.
• Review your notes on a regular schedule (daily or twice each week).
• Review your notes.
• Review, review, review.
Develop Test Taking Skills

• Have a regular study schedule. Don’t wait until the last minute to study. Research shows that most students tend to remember the information they study first or last in a study session. Therefore, several shorter study sessions of 45 to 60 minutes are more effective for learning than one long 3 to 4 hour session.
• Begin preparing for your first test on the first day of class by taking and reviewing notes.
• Write questions over your notes so you can quiz yourself about the information.
• Be prepared for tests, build your confidence and reduce your test anxiety.
• Ask your instructor what will be covered on the test so you will know what material to study.
• Have a plan for test taking:
  • Read and understand all the directions;
  • Review the entire test to see if some items are worth more points than others;
  • Plan your test time so that you do not leave any item unanswered;
  • Answer all the easy questions first;
  • Go through the test a second time to answer more difficult questions;
  • If you just do not know the answer, guess if there is no penalty.
• Focus on your test taking and do not be distracted by movement in the room, especially the movement of students leaving early.
• Realize that tests in college may seem more difficult because they focus more on applying and synthesizing information and less on rote memory or recognition.
• Take all the time allowed for a test. If your mind goes blank, sit quietly, use relaxation techniques to calm yourself and read through the test again.
• Review your old tests to see which questions you missed and why you missed them.
2018-2019 Indian Hills Calendar

FALL TERM – 2018 (August 27-November 14)

August 27  Fall Term Classes Begin
August 30  Staff Workshop (no afternoon classes, morning and evening classes will meet)
September 3  Labor Day Holiday – College Closed
September 4  Classes Resume
September 4  Last Day to Add Classes
September 10  Last Day to Drop Classes
October 4  Midterm
October 17  Winter Term Registration Begins
October 31  Last Day to Withdraw for Fall Term
November 14  Last Day of Fall Term

WINTER TERM – 2018 (November 15-February 19)

November 15  Evening and Online Classes Begin
November 19  Day Classes Begin
November 21  Thanksgiving Holiday – College Closes at 2:00 P.M.
November 22  Thanksgiving Holiday
November 26  Classes Resume
November 26  Last Day to Add Classes
November 29  Last Day to Drop Classes
December 24-January 3  Winter Break – College Closed
January 7  Classes Resume
January 9  Midterm
January 22  Spring Term Registration Begins
February 5  Last Day to Withdraw for Winter Term
February 19  Last Day of Winter Term
Winter Term Graduation

SPRING TERM – 2019 (February 20-May 16)

February 20  Evening and Online Classes Begin
February 21  Day Classes Begin
February 27  Last Day to Add Classes
March 5  Last Day to Drop Classes
March 28  Staff Workshop (no afternoon classes, morning and evening classes will meet)
April 1-4  Spring Break – College Closed
April 8  Classes Resume
April 8  Midterm
April 18  Summer and Fall Term Registration Begins
May 2  Last Day to Withdraw for Spring Term
May 15  Spring Term Graduation – Centerville
May 16  Last Day of Spring Term
Spring Term Graduation – Ottumwa
May 20-23  Early Summer Break – College Closed
May 27  Memorial Day Holiday – College Closed
## SUMMER TERM – 2019
