

Transfer Agreements

After completing your degree at Indian Hills, you may decide to transfer to a four-year school to complete your bachelor's degree. IHCC has articulation agreements with many four-year institutions.

While other colleges accept transfer credit from Indian Hills, IHCC has specific agreements with the following schools that allow IHCC graduates with an Associate of Arts, Associate of Science, or Associate of Applied Science to be admitted as juniors. Please check through the list to see if the school you are interested in transferring to has an articulation agreement with Indian Hills.

Associate of Arts/Associate of Science (AA/AS) Degrees

AIB College of Business – Des Moines, Iowa

- [Generic Transfer Information](#)

Associate of Applied Science (A.A.S.) Degrees**Buena Vista University** – Storm Lake

[Ottumwa Campus](#) – Ottumwa, Iowa

A.A.S Degrees Accepted:

Computer Forensics
Computer Networks & Securities
Computer Programmer/Analyst
Criminal Justice
Drafting/Virtual Reality Technology
Early Childhood Associate
Electronics/Telecommunications Technology
Health Information Technology
Laser/Electro Optics Technology
Medical Lab Technology
Nursing
Physical Therapy Assistant
Radiologic Technology
Robotics/Automation Technology
Sustainable Agriculture & Entrepreneurship

Drake University – Des Moines, Iowa

Digital Forensics
Computer Software Development

Southern Illinois University – Carbondale, Illinois

Aviation Maintenance Technology
Aviation Pilot Training

- [Specific Transfer Information](#)

University of Northern Iowa – Cedar Falls, Iowa

A.A.S Degrees Accepted:

Agriculture/Biofuels Process Technology **
Automotive Technology **
Automotive Collision Technology **
Aviation Maintenance Technology **
Computer Networks & Security Technology **
Computer Software Development **
Diesel Power Systems Technology **
Digital Forensics **
Construction Management Technology **
Electronic Engineering (Telecommunications) Technology **
Electrical & Renewable Energy Technology **
Geospatial Technologies
Industrial Technology Education (2+2 program)
Laser/Electro-Optics Technology **
Machine Technology **
Mechanical Design Technology **
Robotics/Automation Technology **
Social Media Marketing & Technical Graphics **
**Pending as on 3/8/12
