Article Review Papers

During the span of this course, you will be required to write four (4) article reviews. Each of the four reviews must be submitted as a word document and uploaded into MyHills.

Write a two or three page summary/evaluation of the article answering the five questions below within the context of your response.

- Briefly state the main idea of this article.
- List three important facts that the author uses to support the main idea of the article.
- What information or ideas discussed in this article are also discussed in your textbook or other readings? List the textbook chapters and page numbers, if any apply.
- List any examples of bias or faulty reasoning that you found in the article.
- List any new terms/concepts that were discussed in the article, and write a short definition of each.

Formatting Requirements:

- Font no larger than size 12
- Double spacing
- Footnotes and works cited are not required.
- Submit your final Microsoft Word document by uploading it into MyHills.

Submit your responses as an attached document.
