Managed Care Assignment

Medicaid managed care organizations vary from state to state. Moreover, like all third-party payers, the MCOs operate in healthcare’s constantly changing environment. Kaiser Family Foundation tracks and reports sociodemographic and third-party payer data.

Go to the organization’s website: [http://www.statehealthfacts.org](http://www.statehealthfacts.org) and click Health Insurance & Managed Care.

Answer the following questions in a Word document and submit them in the location provided.

**Questions**
1. What is the percentage of HMO penetration of your state?
2. What is the percentage of HMO penetration of a neighboring state?
3. What is the percentage of HMO penetration for the United States?
4. How do these percentages compare?
