# Case Study Questions

Upload your answers to the specific location in MyHills. Write your name on the answer sheet. Number the questions accordingly. Answer each question with details from the case study as evidence to support your opinion. Be specific. The test is worth 50 points.

**Case Study 1: Beg, Borrow, or Steal**
1. Identify the central issue or issues in this argument.
2. Explain the context for this issue.
3. Identify the position of each side in this argument, and under each position, list the reasons given for that position.
4. Based on the reasoning and evidence presented in the case study, what do you think will happen next?

**Case 2: Wrong Place, Wrong Time**
1. Identify the central issue in this part of the case.
2. Identify the opposing sides, state the position of each, and under each position statement, list the reasons offered for that position.
3. Based on the reasoning and evidence presented in the case study, what do you think the police will do with Wendy and with Issac?
