Career Research Papers

During the Career Planning Course, you will be writing three short career research papers. You should find these paper assignments to be personally helpful to your career planning process instead of just an assignment to be turned in for a grade.

Due Dates
(See the Course Schedule for specific due dates.)

<tr>
<td>Paper #3</td>
<td>End of Learning Unit 10</td>
</tr>
</tbody>
</table>

Details
For each paper, choose a career to research and make that your title. Then, in your own words, summarize the following:

- Description of the type of work performed
- Education/Training
- Salary Information
- Job Outlook for the Future
- Four or five Advantages of this career
- Four or five Disadvantages of this Career
- Your thoughts on this career now that you’ve completed the research.

Practicalities

- Use Microsoft Word
- 2 pages in length, double-spaced
- 1" margins
- 12 point font, Times New Roman
- Use correct grammar, spelling, and sentence structure.
- Submit your document to the appropriate area in the Activities area of the appropriate Learning Unit in MyHills by the required due date. See the Course Schedule for specific the due date.
- Late submissions will not be accepted.

REMEMBER!
These resources can be especially helpful:

- Department of Labor
- Vocational Biographies (www.vocbiosonline.com)
If you are having problems finding research materials for a career, or if you have any questions, contact the instructor through email.
