Choose **one** of the following assignments to complete for Unit 6. Write your answers in paragraph form using complete sentences. Length will vary depending on the question selected, but must be a minimum of one page. Remember to use Times New Roman 12 or Arial 12 font and double space.

1. Oregon, Washington and Vermont have enacted “Death with Dignity” laws. These laws allow terminally ill patients to choose euthanasia over long-term suffering. Briefly explain the factors behind the passage of the “Death with Dignity” laws in those states. Factors may include the influence of lobbyists, protest groups, or physicians for example. Use at least two sources for information.

2. Women in the United States began the struggle for the right to vote as early as 1848. It wasn’t until 1920 that the 19th Amendment granted women that right. What issues are of importance to women voters today? What percentage of voters in a typical presidential election of the last 20 years have been women? Using at least two sources for information write a summary of the role women voters will play in the current presidential campaign.
