Re: Closed Session for May 13, 2019

On Monday, May 13, we will have Andrew Tice, Attorney from Ahlers and Cooney, with us for a closed session to discuss litigation. Also present will be Kevin Murphy, Pool Administrator/Risk Manager of IMPACC, our liability insurance pool.

This discussion stems from an issue in spring 2017 (not athletic related). As typical with a closed session, this could lengthen our meeting that evening.
