BE INNOVATIVE

Indian Hills is more than nationally-recognized programs and beautiful campuses. It's also state-of-the-art labs and learning spaces. Schedule a visit to tour our innovative labs on the Centerville, Ottumwa Main, or Ottumwa North Campus.

* **NEW BUILDINGS**

Speaking of innovation, come check out the new academic spaces on both the Ottumwa and Centerville campuses. The Ottumwa Main Campus has a new welcome center, performing arts classrooms and individual practice rooms. On the Centerville Campus, the new Irma W. Winslow Education Center includes the library, faculty offices, food service, academic classrooms and lab spaces. Come and check out all that these new facilities have to offer!

BE PREPARED

You're already making a smart choice and researching all of your options. Did we mention Indian Hills has the fourth lowest tuition and fees in Iowa? Now, let's work together to find financial aid and scholarships to bring that cost down even more!

The Indian Hills Animal Science program was one of the best experiences of my life. The instructors were wonderful, and go above and beyond for their students. The farm is awesome and my favorite part of the classes was working with the cattle.

EULANDO GARDENER

Agriculture-Animal Science, A.A.S.

BE DARING

Still not sure that Indian Hills is the right place for you? Hear what our alumni have to say about their experience at Indian Hills and the life-changing impact the College had on their lives. Follow in the footsteps of these successful alumni with a degree, diploma or certificate from Indian Hills. What are you waiting for?

I chose Indian Hills because I loved the welcoming atmosphere and knew the opportunities were endless. I had a great experience taking science classes with Professor Krings. She cares about you in and out of the classroom and wants to see you succeed academically as well as in life. She makes learning fun and there is never a dull moment.

CLAIRE TIPTON

Biology, A.S.

My time in the software development program has been a great experience. The instructors are always there to help, whether it be with coursework, scheduling classes, or finding opportunities for jobs/internships. When I started the program, I really had no background programming or any idea what to expect, but now I am so glad I started it because I found a both enjoyable and rewarding career field to go in to!

DAKOTA GARRISON

Computer Software Development, A.A.S.

When I arrived for my tour of Auto Technology, I was able to meet the instructors. They took the time to really get to know me and help me understand what the automotive industry had to offer. After seeing the lab spaces, classrooms, and tool rooms - I was hooked. I knew I would be learning from industry-trained experts in state-of-the-art spaces.

MARK DOROTEQ

Auto Technology, A.A.S.

I have had a really good experience in the Indian Hills Construction program. It is fun, and you get a lot of hands-on experience with the work we have done at the job site. I have been able to try a little bit of everything in building a house from the framing and concrete, to doing electrical, and the finish work of the house.

JESUS ALVARADO

Construction Technology, A.A.S.

BE CONFIDENT

Whether you've lived in southern Iowa all of your life or will be moving half way across the globe, Indian Hills and the communities of Centerville and Ottumwa will quickly feel like home! Immerse yourself in the diverse culture and twenty-six languages spoken in Ottumwa or relish in the close knit, small town atmosphere of Centerville.

No matter what campus you call home,

YOU'LL BECOME PART OF THE INDIAN HILLS FAMILY!

At the 2021 Pancake Day, Centerville successfully broke the Guinness World Record for the most pancakes served at a single time by serving 14,000 flapjacks in one day.

Lelah Bradley Park (Centerville) offers 1,000 acres of outdoor space including hiking trails.

One-of-a-kind retailers, coffee shops, and more are located in Centerville and Ottumwa's thriving shopping districts.

The Beach Ottumwa is an indoor/outdoor waterpark with over 13 acres and multiple slides and attractions.
