

IHCC Master Graduate Listing by Program 5-Year Mean, Graduates 2017 – 2021

At IHCC, programs have varying starting terms. This makes term-by-term comparisons of graduates complicated. Programs have access to their historic term-by-term graduation counts also demographic information concerning their graduates to discuss policies and procedures that may impact graduation overall and by individual groups. Traditionally, spring term graduation has been the largest overall, with many programs completing at the end of this timeframe. Also, many programs have their students recognized at this spring commencement, knowing they will be finishing their studies in the summer term. Fall and winter commencements are also held to recognize students completing their programs at these times. The following tables list programs with a 5-year mean number of graduates greater than or equal to 4 students.

Fall Graduates	5 Year Mean
Arts & Sciences including Transfer Majors	47
Nursing AAS	19
Nursing DIP	17
Automotive Drivetrain Certificate	9
TOTAL	128.8

Winter Graduates	5 Year Mean
Arts & Sciences including Transfer Majors	48
Automotive Maintenance Certificate	6
Computer Software Development	6
Medical/Insurance Coding	4
Avionics Electronic Technician	4
Auto Collision Technology	4
Emergency Medical Technician	4
TOTAL	107

Summer Graduates	5 Year Mean
Arts & Sciences including Transfer Majors	51
Dental Assisting	19
Radiologic Technology	16
Dental Hygiene	15
Photovoltaic Technician	8
Medical/Insurance Coding	6
Emergency Medical Technician	5
Electrical & Renewable Energy Technology	5
Welding Technology	4
Small Wind	4
Nursing AAS	4
Construction Trades	4
Solar Energy Management	4
Computer Software Development	4
TOTAL	189.4

Spring Graduates	5 Year Mean
Arts & Sciences including Transfer Majors	175
Welding Technology	41
Nursing AAS	31
Nursing DIP	25
Physical Therapist Assistant	12
Robotics/Automation Technology	11
Automotive Electronics Certificate	11
Automotive Powertrain Certificate	11
Laser/Electro-Optics Technology	11
Aviation Maintenance Technology	10
