

Dear Education Applicant:

Thank you for your interest in applying to the Indian Hills Community College Education program. Our program prepares the student to become a classroom teacher in a public or private school district anywhere from Preschool to 12th grade. By entering the Education program, the student is on a path to gain teacher licensure in the state of Iowa or any other state. According to the Iowa Board of Educational Examiners (BOEE), a state background check and a check of the sex offender and child and dependent adult abuse registries is to be conducted on all applicants preparing to obtain an Iowa teaching licensure (2019). Therefore, this program is closed to all applicants with a felony record, conviction of a serious misdemeanor crime or any crime of immorality.

A criminal background check is required pending entrance into the Education program since it would be unfair to the student for Indian Hills Community College to allow a student to complete the entire education curriculum only to be refused acceptance into a 4-year institution, certification, licensure and or employment.

To be added to the Education program- there are two documents to complete. One is a Questionnaire for Participation Form and the other is the Criminal History Record Check Authorization for Release Form. The Questionnaire for Participation Form is required to follow Iowa law which states that this institution can only receive a criminal background check for violations and convictions in the State of Iowa. In completing and signing this form, you, the applicant states that you have not been charged with or convicted of the above listed offenses anywhere in the United States. Again, it would be unfair for an applicant to successfully complete the education program only to be turned away from a 4-year institution or unemployable in the field.

Along with the two completed forms, a check, money order or cashier's check payable to Indian Hills Community College in the amount of \$20.00 is required as a processing fee and should be placed in the same envelope with the two forms.

Upon receipt of the completed forms and money, we will submit the Criminal History Record Check Authorization for Release Form to the Iowa Department of Criminal Investigations (DCI) to perform the background check. A reply is usually received with a day or two. At that point you will be allowed into the program. It is very important to complete the forms and send the processing fee as soon as possible to be accepted into the Education program. Your documentation will not be processed without both forms or the money to process the forms.

Again, please complete both forms and add a check, money order or cashier's check and mail to:
