

Internship Prerequisite Checklist

Clinical Laboratory Science Program

If any of the following items are not completed/met by the deadline, the student will not be placed for internship and cannot continue in the program. If this occurs, the student will lose any placement priorities for assignment. If perchance a student has been assigned, and any item has not been received by internship start time, the student will be immediately pulled from his/her internship site until such time as they are completed. The student will make up the time missed at the end of the scheduled rotation, at the discretion of the site and program officials.
