

Radiation Monitoring

Radiologic Technology Program

\$70 Initial Set-Up Fee

Additional costs include the following:

- OSL is lost – \$35 additional fee for each occurrence
- OSL is returned late – \$35 additional fee for each occurrence
- An additional OSL for Fetal Monitoring - \$55/9 months

OSL badges are exchanged on a quarterly basis and individual dose reports are monitored by each individual student, documented in their Clinical Competency Manual and monitored by the program faculty and program director.

I have read and understand the above information and agree to the above fees including the additional fees mentioned above.

Student's Signature: _____ Date: _____

Please provide the following information for setting up your radiation/OSL badge. We must provide the vendor with the information below to be able to track your radiation dose. This dose will be "accumulative" during your schooling and throughout your radiology career. It will always be tracked by your social security number. This information will not be disclosed to any other party.
