INDIANHILLS COMMUNITY COLLEGE

Life. Changing.

RISE

Transition Planning Chart

Is the student's transition goal to go to college, or do they need to gain career or technical skills to fullful their tranistion goals?

Yes

Would they be successful with the traditional supports provided?

No, the student will not be successful without additional supports or meets one of the following:

1. The student will go on to college, but her or his learning characteristics and generalization skills necessitate time in the actual setting to be successful.

2. The student will go on to college, but needs to learn specific study/accommodation skills in the actual setting.

3. The student may not be successful independently at a college setting, but with supports will gain specific career and technical skills that will provide for a stronger employment outcome.
