INDIAN HILLS COMMUNITY COLLEGE

## Dear alumni, friends and donors,

This past year was certainly one for the record books. The COVID-19 pandemic forced all of us to pause and rethink the world around us. Indian Hills Community College faculty and staff moved coursework online in record time and continued to offer education at the level in which students have come to expect. The Foundation continued to serve students even at the start of the pandemic when the markets became incredibly volatile. As we get further and further from the pandemic, we continue to see the after-effects of the crisis. So many of our students continue to face challenges in and out of the classroom. The Foundation will continue to offer additional supports on top of scholarships to ensure our students have all of the resources necessary to graduate and be successful. Thank you to each and every donor that has continued to support Indian Hills and our students. We could not do any of our work without you.
