Dederick LEE class of '16

My scholarship at Indian Hills gave me the chance to get back on track with both school and basketball. Indian Hills provided me with teachers and coaches that

wanted me to succeed just as badly as I wanted it for myself. IHCC is known for its basketball program, and it helped me receive a scholarship to South Alabama.

I am happy and thankful for choosing Indian Hills and being part of the Warrior family!

Tamera MERSELI class of '16
 Two-time NJCAA volleyball All-American

Indian Hills wasn't just one of the stops along the way in my life, it was a life changing experience, and it became my second home that I will always come back to! I received a great education, and I met amazing people that are now life-

BOOSTER CLUB

INDIAN HILLS COMMUNITY COLLEGE

IH INDIAN HILLS BOOSTER CLUB

From the A.D.'s desk...

Indian Hills Community College touches the lives of thousands of students each year. Our educational programs foster academic achievement, as well as personal growth.

The Indian Hills Athletic Department strives to provide unique opportunities for student-athletes to excel and to prepare them for continued success after they graduate.

Brett Monaghan
Athletic Director

Indian Hills teams compete for regional and national championships each year. The latest IHCC squad to claim a national title was the golf team in 2015. It was their fifth NJCAA Championship. The Warrior basketball team, winners of three national titles, competed in the national tournament for the third consecutive season in 2015-16. In addition, softball returned to the national stage last season for the first time since 2010 and the 18th time in program history.

Off the field, ten of our teams were named Academic All-American teams with our Men's Indoor Track and Field being named the NJCAA Team of the Year. Twenty-seven individual student-athletes were also honored for their academic prowess.

The college has some of the finest athletic facilities of any two-year school in the Midwest and that's made possible through Indian Hills Booster Club memberships. Proceeds from this club are used to provide athletic scholarships and to purchase equipment.
