

2016 PHILANTHROPY REPORT

INDIAN HILLS COMMUNITY COLLEGE FOUNDATION

Life. Changing.

The Indian Hills Community College Foundation continues to grow, to expand in philosophy, to reach out to more people and to be *Life. Changing.* for many students. I am very proud of Executive Director Rachelle Karstens, her staff, and the board of the Foundation for making decisions that allow strategic nuances and open new opportunities for the Foundation itself, for the college, and for our students.

As you read this annual report, you will be reminded just how successful the IHCC Foundation really is. We rank very high among Iowa community colleges in the net worth of Foundation assets, in the percent of employees who give, in the number of members in the alumni association, and in the number of students who receive scholarships. As with most things, though, we cannot sit on our laurels. We must continue to move forward, to not allow ourselves to be stagnant. This is not easy; change is not easy. In fact, it would be much easier to believe that we are doing great and that we should just keep doing what we are doing. Instead, the Foundation board boldly took on a year-long strategic planning process to re-evaluate its mission, its philosophies, and its goals. The result helped us to see what is going well and should be continued, but also what we might tweak or what else we might attempt.

Because of this process, future interactions with the Indian Hills Foundation will contain the traditional strong commitment to students through scholarships. You will also begin to see a little more glitz, glimmer, creativity, and new opportunities regarding fundraising activities and approaches. You will likely see more variety in your options to support particular programs and projects. The future is going to be exciting and fun.

Thank you for your support for the students at IHCC. Thank you for being part of who we have been, who we are, and who we intend to become. And, thank you for continuing to change lives through your philanthropy.

Marlene Sprouse

Marlene Sprouse, Ed.D.
President, Indian Hills Community College

We have had an exciting and *Life.Changing.* year here at Indian Hills Community College. Thanks to your generosity and support, we were able to help 579 students, awarding over \$1.3 million in scholarship support.

I recently found some interesting statistics regarding community college scholarships nationwide. In 2014 (the most recent year for these numbers), the Council for the Advancement and Support of Education issued a report on community college scholarships. Here's how the Indian Hills Community College Foundation fared nationwide:

	MEAN	MEDIAN	IHCC FY16
Students Receiving Awards	458	256	579
Total Scholarship Awards	\$391,132	\$250,000	\$1,326,644
% of Recipients	3.9%	2.4%	12%*
Average Award	\$1,126	\$981	\$2,291

*When limited to full-time students only, this number increases to 22%

You will also see that we have made some exciting changes to our Vision and Mission statements. Essentially, our Foundation Board reviewed our history, purpose and future goals and determined that we exist to fully support the College in its mission and goals. As a result, our supporters are now able to support what YOU are passionate about – whether that is programs, faculty, student scholarships or any other area of the college that matters most to you. These changes will enable the Foundation to continue to build on the strong scholarship foundation that exists today.

It is thrilling to see how active and generous our supporters are. We have one of the largest community college scholarship endowments in the State of Iowa, and clearly have the strongest and most generous supporters and volunteers. Whether you made donations, attended fundraising activities, sponsored events or volunteered your time this past year, you helped our students. We here at the Foundation thank you and, more importantly, our students thank you for your *Life.Changing.* giving.

our vision

Building a thriving culture of philanthropy that supports student learning and sustains the position of the College as a leader and innovator.

our mission

Indian Hills Community College Foundation exists to support the comprehensive mission of the College by providing additional resources necessary to ensure student and community success. The Foundation will enhance the College and broaden its base of support through raising funds, building partnerships, and advocating for students and the College.

Donor Honor Roll

The Indian Hills Community College Foundation gratefully acknowledges the following alumni, friends, faculty, staff, businesses, organizations, and foundations for contributions and activity support from July 1, 2015 through June 30, 2016. Your generosity has made a difference in many lives.

INDIAN HILLS FOUNDATION

Designated & Memorial Scholarships

Many special scholarships have been established within the Foundation. Those that are currently active during the 2015-2016 academic year are listed below except those noted with an asterisk (*), which are established for future use. A designated or named scholarship is one set up by an individual, business, industry, or group with a minimum contribution of \$600. A memorial scholarship is one set up with the memorial funds received from family and friends or through a trust or estate. Many people establish their own scholarships through estate planning and initiate them with an annual gift so they can see the results of their assistance to students.

Ways to Give

INDIAN HILLS FOUNDATION SCHOLARSHIPS are awarded to full-time and part-time students attending Indian Hills Community College. To be eligible for an award, a student must be a graduate of an accredited high school or have earned an HSE. Scholarships are awarded to students who demonstrate one or a combination of the following: academic excellence, exceptional aptitude for a chosen area of study, outstanding personal qualities, or financial need. A student may receive only one Indian Hills Foundation Scholarship in an academic award year. Foundation scholarships are applied to tuition on the student's account at Indian Hills Community College.

GENERAL FUND SCHOLARSHIPS are academic awards that are applied to tuition on account at Indian Hills.

DESIGNATED (NAMED) SCHOLARSHIPS are awarded by the Foundation in the name of a business, industry, individual,*memorial, trust, or other name as determined by the donor. A \$600 minimum contribution is required to establish an annual designated scholarship. (Please contact the Foundation office for details.) Sponsors of designated scholarships establish the criteria for eligibility and may specify that their recipient be from a given high school or service area or be enrolled in a specific area of study. Foundation Designated Scholarships may be applied to tuition and other costs on the student's account according to the wishes of the donor. At present, the Foundation administers over 200 designated scholarships. Many of them provide multiple awards.

PERPETUAL (ENDOWED) SCHOLARSHIPS are designated scholarships endowed with a one-time gift, a minimum amount of \$12,000. Only the interest is used for scholarships. The principal is placed in a restricted account to generate income. The Indian Hills Foundation receives gifts to provide scholarships to students of Indian Hills Community College. All donations are tax deductible under Section 170 of the Internal Revenue Service Code, to the extent allowable by law.

*A memorial scholarship is a wonderful way to honor the memory of a loved one.

2016 Outstanding Service Award Recipients

Brenda Ragen - Retiree

Former IHCC employee Brenda Ragen, who worked at the college for more than 25 years, was given the Outstanding Retiree Award for her involvement and support of the college since retiring. Ragen is the vice president of the IHCC retirees' group, the Trailblazers. She has organized fundraisers for scholarships for deserving students, has assisted with the Foundation auction and organized the Trailblazers when they decided to prepare cookie and candy trays at Christmas for IHCC staff on the Ottumwa and Centerville campuses.

Jean Dell - Lay Citizen

The Outstanding Lay Citizen Award went to Jean Dell, an active member of the Indian Hills Foundation Board for the past six years. This award honors an area community member who has made notable contributions to IHCC. Dell chairs the Planned Giving committee, serves on the Investment committee and is actively involved in the Foundation's special events and fundraisers. She assists each year with the scholarship auction and was a key figure in helping organize the Women Supporting Women event that has raised almost \$60,000 to fund scholarships for women attending Indian Hills. Dell and her husband, Bill, attend many IHCC events and are long-time supporters of the college.

Bob Ford - Alumnus Award

Bob Ford, owner and COO of Socius Marketing, a search engine optimization marketing firm based in Tampa, Fla., was honored with the Outstanding Alumnus Award, which recognizes achievements since an alumnus graduated from Indian Hills. Ford, a 1970 IHCC graduate, has a long history of growing successful businesses. Currently, under his leadership, Socius has assisted over 700 companies' websites across 46 states and four countries. He was also instrumental in helping with the growth of AEGON, a Texas-based insurance company, and Midland National Life in South Dakota, and he owned and operated an E-Z-Go dealership. In his presentation it was noted that Ford has carried his Iowa farming work ethic and principles throughout his career.

Freddy Miranda- IHCC Employee Award

Freddy Miranda, the former Director of International Affairs at IHCC, grew the college's international enrollment from 35 to nearly 170 in a little over three years. Miranda spearheaded countless student-focused initiatives, and he was recognized for contributing in a variety of ways to the growth that was achieved. A native of Ecuador, Miranda was referred to as "a dedicated person... who was known across campus because of his unique personality....and was so well-known in the international education field, that people from across the United States and around the world were affected by his sudden passing." Miranda's award was presented posthumously, as he was tragically killed earlier in the year while on a recruiting trip in South America.

Ray Ryon - IHCC Employee Award

Ray Ryon, IHCC Computer Software Development program educator, was honored due to his service, loyalty and support of the college. In addition to his teaching, Ryon, helps at numerous activities, including the annual Lego League robotics competition. One of his nominators said perhaps the most important facet of his dedication to Indian Hills is his service to students, saying his "knowledge of the field is evident. He continually educates himself and maintains current technical knowledge, sometimes even cutting-edge technology." Ryon is recognized as a skilled and patient instructor, who makes every effort to help students succeed.

The Dr. Jim Lindenmayer Award for Exceptional Leadership

In 2013, the Dr. Jim Lindenmayer Award for Exceptional Leadership was created to recognize those who lead with compassion, integrity, service and vision. The first recipient was Dr. Jim Lindenmayer, who retired from Indian Hills in 2013 after a 33-year career. This year, Lori Schaefer-Weaton was selected as the recipient.

2016 Dr. Jim Lindenmayer Leadership Award Recipient

Lori Schaefer-Weaton

Lori Schaefer-Weaton, the President of Agri-Industrial Plastics in Fairfield, accepted the Jim Lindenmayer Leadership Award in recognition of her leading with compassion, service, integrity, and vision. Under her direction, the fast-growing company recently completed the largest expansion in its 38-year history, adding 104,000-square feet to its existing 240,000-square-foot facility. Since Schaefer-Weaton joined the company as Director of Business Development 12 years ago, their sales have more than doubled. In addition to her involvement in the large number of projects and organizations related to her position, she serves as a member of the Leadership Advisory Committee at Indian Hills, which provides feedback and direction for all the leadership programming that IHCC offers. Schaefer-Weaton also regularly welcomes groups of students into Agri-Industrial Plastics to learn about the opportunities available in the advanced manufacturing area.

Special Events

39th Annual Scholarship Auction

Despite a rainy Saturday, approximately \$25,000 was raised at the Indian Hills Foundation's 39th Annual Scholarship Auction on April 30. In fact, rainy weather usually attracts more people to the auction because they aren't able to do outdoor activities. And that was the case again this year as parking spots were hard to find and the various booths (plant, country store, books and IHCC clothing) enjoyed a steady stream of customers. This year's items included a 1976 Triumph convertible, many furniture items, and of course, items from the Indian Hills Greenhouse. The auction is traditionally the highest-earning annual Foundation fundraiser for student scholarships. The 2017 Auction is scheduled for April 29, 2017.

38th Annual IHCC Foundation Golf Tournament

The 38th Annual Indian Hills Community College Foundation Golf Tournament was held on June 17. IHCC President Dr. Marlene Sprouse, along with the IHCC Foundation and Athletics Department Staff, welcomed 164 golfers to the tournament. In addition to the golfers, 45 sponsors, 16 corporate teams, and 30 volunteers helped generate over \$9,000 in scholarship dollars. The winning foursome consisted of Steven Wetrich, Tom Keck, Dusty Stewart, and Steve Wetrich. The winners of the longest drive were Brooke Campbell (women) and Danny Martin (men). Keith Crawford had the longest putt, and Josh Stockdall won closest to the pin. The 39th Annual Golf Tournament is scheduled for June 16, 2017

Women Supporting Women Culinary Dinner

On Wednesday, October 13, the IHCC Foundation held the seventh annual Women Supporting Women Culinary Dinner. This event was resounding. Nearly \$8,000 was generated for future scholarships. The Women Supporting Women event features wine tasting, accompanied by an elegant dinner along with appropriate wine pairings. The goal of this exclusive event is to raise funds for the Women Supporting Women Scholarship. During the event's seven years, nearly \$60,000 have been raised, which allows for three annual awards of \$1,000 to be given. The next Women Supporting Women event is scheduled for October 5, 2017.

35th Annual Celebrity Night

This year's Celebrity Night guest speaker was Aaron Thomas, son of deceased Arlington-Parkersburg football coach, Ed Thomas. The event raised nearly \$15,000 for student scholarships. Thomas addressed the audience of over 300 people and shared his family's story of inspiration, tragedy, and forgiveness. The evening closed with an auction of local artists' work organized by IHCC art instructor Mark McWhorter, and auctioneer Jim Kosman of Al Martin Auction Co. donated his time to help achieve the high bids. Celebrity Night 2017 is tentatively scheduled for Saturday, October 21, 2017.

Over 40 Years of Building a Stronger Community

The Indian Hills Community College Foundation, an IRS 501(c)(3) non-profit corporation, was formed as the vehicle to accept and manage gifts and donations for the betterment of the college and its students and to provide the appropriate tax advantages for the donors. Contributions are deductible on the itemized state and federal income tax returns, to the extent allowable by law.

Organized in 1973, the Indian Hills Community College Foundation initiated a district-wide scholarship program in 1975. The Foundation Board of Directors envisioned that private individuals and organizations would provide resources to support student scholarships that would not otherwise be available. The Foundation has grown and matured with the support and leadership of outstanding volunteer community members who have served on its board of directors. The responsible stewardship of Foundation resources is strengthened with strong internal controls and annual independent audits.

The Indian Hills Foundation Board of Directors includes people who have expressed an interest and desire to use their leadership skills and time on behalf of Indian Hills Community College through its Foundation. The members of the board serve without compensation and are responsible for the management of all properties and/or money conveyed to the Foundation.
