Registered Trades

Apprenticeship Program

Benefits

Learn & Earn: Get paid while you learn.

Start the program and get paid from day one!

Free Training.

Training is paid for by IowaWORKS, which means you pay nothing.

Learn through structured, on-the-job training and classroom instruction.

More skills, more money.

Wages increase as you reach training milestones.

Your employer provides raises as you learn additional skills.

Go back to school with classroom credit.

College credit for classroom training you complete can count towards an associate's degree at a community college.

Job security and benefits.

Quality benefits from your employer like medical insurance, retirement plans and vacation days.

Feel safe in a stable career with competitive salary.

Earn a national industry certification which you can take with you anywhere in the United States.

Additional financial assistance available.

IowaWORKS might be able to help pay for things to help you during your apprenticeship, such as transportation, tools or child care during classroom training.

You pick!

Choose from a wide variety of trades occupations including electrician, welder, pipe fitter, iron worker, carpenter, heavy equipment operator, concrete finisher, and more.
