BEFORE YOU ARRIVE:

Roommate and Room Assignment:
Students will receive an email to their student email account with their room assignment and move in information. Students can locate their roommate information by logging into their eRez Life account and clicking on “roommate group” on the left hand side of the screen.

What if I didn’t get my roommate preference?
Roommate groups have to be made through the housing software, eRez life. eRez software will automatically place the roommate groups together. It is very important that if you have a specific person/people you are wanting to live with, all parties get on and create the roommate group. There may be an insufficient number of empty rooms, so there may be a time where the roommate group can’t be fulfilled. Please email housing with any questions.

What if I want to change my room assignment or roommate?
We do not allow any room changes to occur the first two weeks of the term. After the first two weeks, students will receive an email with instructions on how to request a room change. There will be a $50.00 room change fee applied. Changes will only be made with the approval from the Director, Student Life. If there is a conflict between roommates, they need to contact the Director by emailing erica.ashbacher@indianhills.edu.

What if I have a medical or mental health need that requires special accommodations?
Students should contact the Disability Services as all accommodations are processed through the Disability Services Office. That office then sends us any approved housing accommodations. Please see their website for further information. https://www.indianhills.edu/success/disabilityservices.php

Don’t bring everything you own!
The first thing to keep in mind when packing is that you shouldn’t bring everything you own. These rooms have limited space available. Pack lightly and put off bringing non-essentials. Once you arrive and unpack, discuss what you and your roommate may be able to share and determine what to retrieve the next time you go home. You will be able to know who your roommate is prior and can contact them and plan ahead of move in.

We Provide:
Room furniture for each resident includes: extra-long twin bed and mattress (mattress covers are supplied), wardrobe, study desk and chair. Additional furnishings provided in the apartment-style rooms include a dining table with chairs, couch or love-seat, and private bathroom. Apartments on the Ottumwa Main Campus do have small kitchenette’s (countertop, cabinets, and kitchen sink with garbage disposal). Refrigerators, microwaves, and stove/ovens are NOT included.

Traxler Hall on our Centerville Campus does have a full kitchen available (includes microwave, full size refrigerator and stove/oven).

While living in the residence halls, students have access to cable services, central air conditioning, wireless internet, and free laundry facilities (located in every residence hall building).

All Residence Hall buildings have a landline phone available for local calls or to use in the case of an emergency. Long distance calling is not available on those phones.

ONCE YOU ARRIVE

Arrival Dates and Times:
FALL TERM- New students arrive the Saturday prior to classes starting and returning students move in on the Sunday prior to classes starting. The residence hall buildings open at 10:00 a.m. on both Saturday and Sunday. If you arrive before 10:00 a.m. please be patient as it does take some time to get set up for move in. All student will have received move in instructions (in their room assignment letter).

Parking:
During move in, due to the amount of traffic, it is easiest to find a parking spot in the parking lot designated for your residence hall. We will have moving charts available to transport your items from your car to the residence hall room. All hall residents’ vehicles should be parked in a designated residence hall parking lot following move-in and throughout the year to avoid parking tickets and/or towings. All vehicles require a parking sticker and can be purchased in the campus store.

Checking In:
Go to the main lobby in the hall you are assigned to. You will pick up your keys from the hall staff. An RA will show you to your room, complete a room assessment, and have you sign your check in agreement. The RAs can help answer questions and show the student around the residence hall.

Room Assessment Process:
An RA will complete a room assessment form with the resident (on a tablet). Once the form is filled out, the student will review it to ensure it is filled out accurately. This form is to indicate if the room was clean or if there were damages (like paint chips or bent blinds). Those items need to be indicated on the room assessment so the student is not charged at the end of the contract. Discrepancies between move in room assessment and move out room assessments can result in damage charges following checkouts.

AFTER MOVE IN

Your Meals:
Meal plans are required with each housing contract and begin the first day of the term. All meals are either served in the Hills Kitchen, North Campus Café, The Coffee Shop (in the formal lounge), or The Barn on the Centerville campus. You must produce your student ID to receive your meals. Student ID’s can be obtained in the Student Development Office, located in Trustee Hall (Ottumwa residents) and the Administration building (Centerville residents) during move in weekend.

Residence Hall Meeting:
Mandatory hall meetings are held during move-in week to acquaint you with your housing staff and hall regulations. Please check the white boards located by each RA office in your hall for the time and place for your hall meeting. These meetings are mandatory for all residents.

Your Roommate(s):
Take time during the first week to get know your roommate(s). Talk about family, friends, and other background topics. Inquire about personal preferences in areas such as studying, privacy, neatness, personal hygiene, etc. When compromises are made, be certain they are clear for both of you. Even if you never become best friends, respect and good communication can make living together a mutually satisfying experience. Don’t get impatient; adjusting to a roommate doesn’t happen overnight. Enter into the situation with good intentions and talk directly with one another about problems. Respect your roommate and don’t abuse your roommate privileges. Communication is a MUST. Practicing good communication skills will make the transition easier if you are both open, honest, and communicate with one another.

How you approach being a roommate has more to do with your getting along than whether you share a lot of common interests. If you have problems with your roommate, your first step is to email the Director of Student Life at Erica.Ashbacher@indianhills.edu.
GOOD TO KNOW

**Bikes:**
Bikes should have heavy-duty locks to secure them to outdoor bike racks. Bikes may be kept in rooms or apartments with the approval of roommate(s). Indian Hills Community College is not responsible or liable for bicycles if stolen or damaged. Skates, skateboards, hoverboards, etc., are not permitted on campus.

**Lofts and other room additions:**
Lofting beds is not allowed except where provided by the college. Furniture may NOT be removed from your room or disassembled.

**Is my contract for the entire academic year?**
Yes, the terms of your housing contract are binding during your residency. The contract begins with your first term as a resident. The contract reserves a room from August (Fall Term) to the end May (Spring Term). An email will be sent to all residents reminding students to complete future housing applications (including Summer and upcoming Fall terms). Please check your IHCC email for important correspondence. Contracts renew at the beginning of the next fall term.

**Meet your Hall staff:**
A professional hall supervisor lives in each building. There is a hall supervisor on duty at all times. In addition, each hall is also staffed with Resident Assistants (RAs), students hired by the college to assist our students in the residence halls. Get to know your staff. They are able to answer all kinds of questions, from where things are located on campus to how do I sign up for an intramural team? The RA number is listed by the RA office located in each building. Program that number in your phone.

**Feeling anxious?**
Many students find themselves feeling anxious during the first days and weeks of college. If things are getting a little overwhelming, don’t hold it inside. Contact your RA, Hall Supervisor, or visit the Student Development Office for support. The Counseling and Prevention Resource Center (CPRC) offers FREE mental health services to all IHCC students.

**RESIDENCE HALL ADDRESSES:**
All residents receive an individual mailbox with a key lock. Mail will be distributed to your box Monday through Thursday, after 3:00 p.m. If you have a package that has been delivered to the residence hall building, you will receive a pink slip in your mailbox alerting you to the package. You may obtain the package by visiting the RA office hours. Office hours are posted on the white board by the RA office in each building. Please have your mail addressed to you in the following manner:
