# INDIAN HILLS COMMUNITY COLLEGE SCHOLARSHIP OPPORTUNITIES

## INTRODUCTION

Indian Hills Community College Foundation exists to support the comprehensive mission of the College by providing additional resources necessary to ensure student and community success. This book contains information pertaining to the large number of scholarships available at Indian Hills Community College (IHCC). In each academic school year, hundreds of scholarships are awarded, either through a general fund or a named scholarship.

At IHCC, we believe in helping students. The administration, faculty and staff take pride in our high graduation rates and the successes of our graduates. Every year, over \$50,000 is donated by our full-time and part-time employees for the scholarship fund. Our employees also volunteer their time to help raise funds to support scholarships.

## ESTABLISHING A SCHOLARSHIP

Individuals and businesses can easily establish a named scholarship. The IHCC Foundation offers a variety of options:

- A minimum initial gift of \$12,000 is needed to establish a perpetual (endowed) scholarship.
- A minimum gift of \$600 can be donated to fund an annual scholarship.
- Potential donors might choose to include the IHCC Foundation in their wills or list the Foundation as a full or partial beneficiary on a life insurance policy or a retirement account.
- The value of your gift can be increased if your employer has a matching gift program - check with your employer's personnel office.

To initiate a scholarship, please contact the IHCC Foundation office by calling Blaire Siems at (641) 683-5115 or by email at [blaire.siems@indianhills.edu](mailto:blaire.siems@indianhills.edu).

The IHCC Foundation, an IRS 501 (c) (3) non-profit corporation, was established as the vehicle to accept and manage gifts and donations for the betterment of IHCC and its students and to provide the appropriate tax advantages for the donors. Contributions may be deductible, to the extent allowable by law.

# HOW TO APPLY FOR A SCHOLARSHIP

All students who have applied to or enrolled at IHCC in a credit program, either full-time or part-time, and have graduated from an accredited high school or have earned a GED, are eligible to apply for IHCC Foundation Scholarships. All IHCC Foundation Scholarships, both general fund and named scholarships, are awarded based upon academic achievement, citizenship, character and the ability to benefit from financial assistance. Scholarship renewals are based upon satisfactory academic achievement.

To apply for scholarships listed in this book, an applicant must complete an IHCC Foundation scholarship application located on the IHCC website at [www.indianhills.edu/scholarshipapp](http://www.indianhills.edu/scholarshipapp).

Some IHCC Foundation scholarships have preferences for people who meet specific criteria. Please be sure to review each item on the online application and check all that apply.

The Foundation Scholarship Committee can consider an application only when it is completed in its entirety and submitted.

Upon approval by the IHCC Foundation Scholarship Committee, all applicants will be considered for all IHCC Foundation Scholarships for which they may be eligible. However, a student may receive only one Foundation scholarship. If a student is offered a Foundation scholarship and an IHCC Institutional Club Scholarship in the same academic school year, the larger of the two scholarships will be awarded.

Applicants are urged to apply for other financial aid offered through the completion of the Free Application for Federal Student Aid (FAFSA). The IHCC Financial Aid Office may be contacted by calling (641) 683-5262 or 1-800-726-2585, ext 5262, for more information.
