What is Entrance Counseling?

Who Should Complete Entrance Counseling?
Federal law requires entrance counseling for students who have not previously received a subsidized or unsubsidized loan or PLUS loan (graduate/professional students only) under the Direct Loan Program or Federal Family Education Loan (FFEL) Program.

What is a Master Promissory Note?
The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s).

Who Should Complete This?
Eligible undergraduate students requesting Direct Subsidized Loans or Direct Unsubsidized Loans.

If you are taking out a Direct Loan, you must sign a Master Promissory Note (MPN) under any of the following circumstances:

• You have never previously signed an MPN for the type of loan you are taking out.
• You signed an MPN more than one year ago, but no loan was disbursed.
• You signed an MPN more than 10 years ago.
Complete Annual Student Loan Acknowledgment

What Am I Acknowledging?

What is Exit Counseling?

Time Limitation On Direct Subsidized Loan Eligibility for First-Time Borrowers On or After July 1, 2013
If you are a first-time borrowers on or after July 1, 2013, there is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program. This is called your “maximum eligibility period”.

After you have received Direct Subsidized Loans for your maximum eligibility period, you are no longer eligible to receive additional Direct Subsidized Loans. However, you may continue to receive Direct Unsubsidized Loans. In addition, if you continue to be enrolled in any undergraduate program after you have received Direct Subsidized Loans for your maximum eligibility period or enroll in an undergraduate program that is the same length or shorter than your prior program, you will become responsible for the interest that accrues on your Direct Subsidized Loans on and after the date of your enrollment.

Your federal loan servicer will notify you if you become responsible for paying the interest on your Direct Subsidized Loans.
