SCHOLARSHIP OPPORTUNITIES AT INDIAN HILLS COMMUNITY COLLEGE

INTRODUCTION

The only mission of the Indian Hills Community College Foundation is to establish, fund and award scholarships. This book contains information pertaining to the large number of scholarships available at Indian Hills Community College. In each academic school year, hundreds of scholarships are awarded, either through a general fund or a named scholarship. The Indian Hills Foundation General Fund Scholarship provides an annual \$600 award, while individual named scholarships can provide an annual award of \$600 up to payment for tuition, fees, books, room & board.

At Indian Hills, we believe in helping students. The administration, faculty and staff take pride in our high graduation rates and the successes of our graduates. In 2014-2015, ninety-nine percent of Indian Hills' full-time employees gave to the scholarship fund. Annually, more than half volunteer their time in helping to raise funds to support scholarships.

ESTABLISHING A SCHOLARSHIP

Individuals and businesses can easily establish a named scholarship. The Indian Hills Community College Foundation offers a variety of options:

- A minimum initial gift of \$12,000 is needed to establish a perpetual (endowed) scholarship.
- A minimum gift of \$600 can be donated to fund an annual scholarship.
- Potential donors might choose to include the Indian Hills Foundation in their Wills or list the Foundation as a full or partial beneficiary on a life insurance policy or a retirement account.
- The value of your gift can be increased if your employer has a matching gift program—check with your employer's personnel office.

To initiate a scholarship, please contact the Indian Hills Foundation office by calling Rhonda Conrad, Executive Director, at (641) 683-5115, or at rhonda.conrad@indianhills.edu.

The Indian Hills Community College Foundation, an IRS 501 (c) (3) non-profit corporation, was established as the vehicle to accept and manage gifts and donations for the betterment of Indian Hills Community College and its students and to provide the appropriate tax advantages for the donors. Contributions may be deductible, to the extent allowable by law.

Equal Opportunity: Indian Hills Community College provides equal educational and employment opportunities and does not illegally discriminate on the basis of age, race, creed, color, sex, sexual orientation, gender identity, marital status, national origin, religion, genetic information or disability in its educational programs, activities or its employment and personnel policies. Inquiries or grievances related to this policy may be directed to Bonnie Campbell, Director of Human Resources/Equity Coordinator, IHCC, 525 Grandview, Ottumwa, IA 52501.

Disabilities: Individuals with disabilities who require accommodations or special services should contact IHCC Disability Services for assistance. Services are available upon request to individuals with documented disabilities. All student requests are dealt with in a confidential manner. Students should email disabilityservices@indianhills.edu or contact the Ottumwa Disabilities Center at (641) 683-5749 or the Academic Services Center on the Centerville Campus at (641) 856-2214, ext. 2214.

HOW TO APPLY FOR A SCHOLARSHIP

All students who have applied to or enrolled at Indian Hills Community College in a credit program, either full-time or part-time, and have graduated from an accredited high school or have earned a GED, are eligible to apply for Indian Hills Foundation Scholarships. All Indian Hills Foundation Scholarships, both general fund and named scholarships, are awarded based upon academic achievement, citizenship, character and the ability to benefit from financial assistance. Scholarship renewals are based upon satisfactory academic achievement and the recommendation of the donor.

To apply for scholarships listed in this book, an applicant must complete an Indian Hills Foundation scholarship application located on the Indian Hills' website at www.indianhills.edu/scholarshipapp.

First priority consideration will be given to those applicants who submit all materials by March 5, 2015. Applications and materials received after this date and before June 4, 2015, will be reviewed at the Scholarship Committee's next meeting in June. Some Indian Hills Foundation scholarships have preferences for people who meet specific criteria. Please be sure to review each item on the online application and check all that apply.

The Foundation Scholarship Committee can consider an application only when it is completed in its entirety which includes the submission of appropriate transcripts and recommendations.

Upon approval by the Indian Hills Foundation Scholarship Committee, all applicants will be considered for all Indian Hills Foundation Scholarships for which they may be eligible. **However, a student may receive only one Foundation scholarship.** If a student is offered a Foundation scholarship and an IHCC Institutional Club Scholarship in the same academic school year, the larger of the two scholarships will be awarded.

If you have signed a letter of intent and will be receiving an athletic scholarship or if your tuition is being paid in full from another resource (RISE, Veterans, Vocational Rehab), you are not eligible to receive a Foundation Scholarship.

Applicants are urged to apply for other financial aid offered through the completion of the Free Application for Federal Student Aid (FAFSA). The Indian Hills Financial Aid Office may be contacted by calling (641) 683-5262 or 1-800-726-2585, ext 5262, for more information.
