

(ATI TEAS) Fact Sheet for Students

All students accepted to the Nursing program must achieve a composite score of 60% for all four sections of the ATI TEAS: Reading, Mathematic, English & Language Usage, and Science sections. Students will have only 3 attempts to do so. Students will continue to be required to take the ACCUPLACER and must meet required ACCUPLACER scores in addition to taking the ATI TEAS.

Did you know that 40% of students take the TEAS test more than once? The biggest mistake students make on the TEAS is not taking the time to review and study. ATI recommends at least 6 weeks of preparation prior to taking the ATI TEAS Exam. Don't just take our word for it! Here's what some recent students said upon finishing the ATI TEAS.
