

Guide for FAA Testing

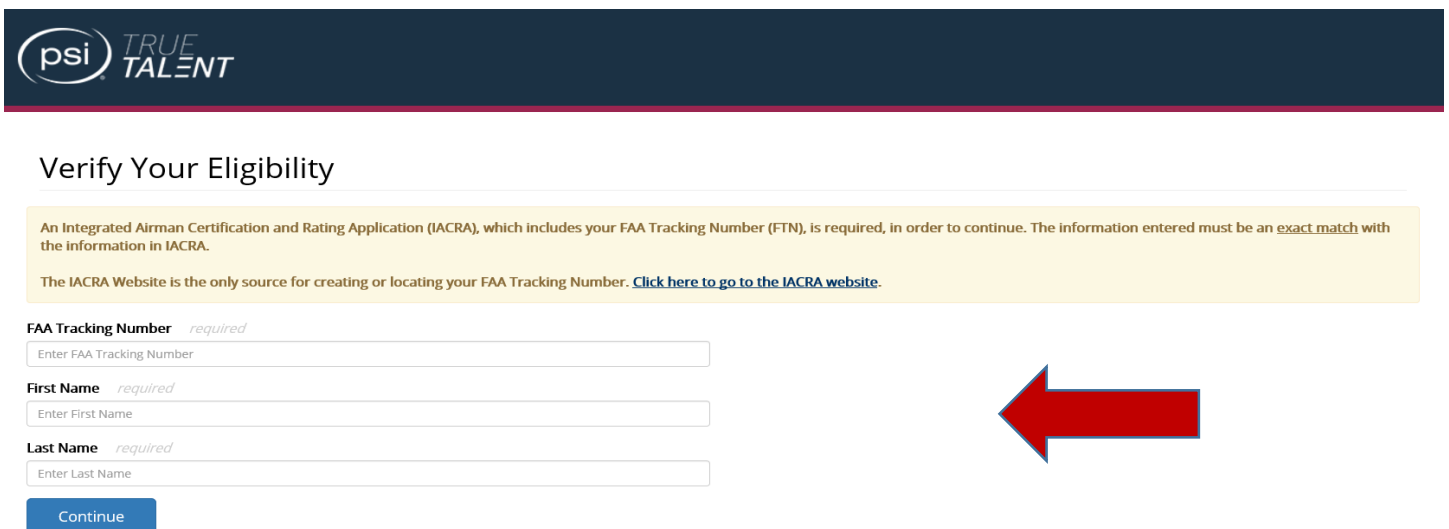

All FAA testing must be scheduled online. All testing is \$175.00 paid online at the time of scheduling.

1. Log on to <https://faa.psiexams.com/faa/login> to begin scheduling. Beginning January 13, 2020, all applicants must establish an FTN, by creating a profile in the Integrated Airman Certification and Rating Application (IACRA) System <https://iacra.faa.gov/IACRA/Default.aspx>, PRIOR TO taking an FAA Airman Knowledge Test. This FTN will be printed on the applicant's Airman Knowledge Test Report (AKTR).
2. Create an account using your FAA Tracking Number

The screenshot shows the PSI True Talent website interface. At the top, there is a navigation bar with links for Home, Practice Exams, Find a Test Center, and Contact Us. The main content area features a heading: "FAA Airman Knowledge Testing is now available for online scheduling." Below this heading is a blue button labeled "View Test Authorization Requirements". A text block follows: "If you are a **new user**, and want to start scheduling your exam, click below to **create an account** (In order to create an account, you will need your **FAA Tracking Number**)." Below this text is a white button labeled "Create an Account". Another text block says: "Or, to sign in with your existing account, and schedule your exam, click below." Below this is a blue button labeled "Sign In". A red arrow points from the "Sign In" button towards the "Create an Account" button. At the bottom, there is a note: "Or, call toll free, to schedule with a customer service representative, at (844) 704-1487."

3. Enter your FAA Tracking Number, First and Last Name.

The screenshot shows the "Verify Your Eligibility" form on the PSI True Talent website. At the top, there is a yellow banner with the following text: "An Integrated Airman Certification and Rating Application (IACRA), which includes your FAA Tracking Number (FTN), is required, in order to continue. The information entered must be an exact match with the information in IACRA." Below this banner is another line of text: "The IACRA Website is the only source for creating or locating your FAA Tracking Number. [Click here to go to the IACRA website.](#)" The form itself consists of four input fields: "FAA Tracking Number" (required), "First Name" (required), "Last Name" (required), and "Continue" (a blue button). A red arrow points from the right side of the form towards the "Continue" button.

4. After you have created a username and password you will be able to select your test and then can select Indian Hills Community College as your testing location.

On test day:

1. Bring a valid current government issued photo ID which includes your photo, date of birth, signature, and physical residential address. Your current address must match your ID or you must provide approved address verification. Acceptable forms of ID include: US Driver's License, US Government ID, US Military ID, Passport, or Alien Residency Card.
2. Bring any authorization to test forms you might need for your specific exam. Examples: Certificate of completion, Certificate of Graduation, Written Statement Logbook Endorsement or Failed Test Report
3. All requirements for testing can be found at https://www.faa.gov/training_testing/testing/media/testing_matrix.pdf
